

June 1, 2017

To whom it may concern,

Tinatin Genebashvili is undertaking research in Republic of Georgia from 1 June to 31 August 2017 as part of the research project "Assessing State Capacity and Societal Stability in Eurasia." This project is based at Rowan University (USA) and Ms. Genebashvili (and her assistants) are contracted by Rowan University while conducting this research in Georgia. This research is for academic purposes only and is intended to lead to publications in scientific journals and books.

Thank you for any cooperation and assistance you can provide to Ms. Genebashvili as she conducts this research in Georgia.

Sincerely,

Lawrence P. Markowitz
Principal Investigator, "Assessing State Capacity and Societal Stability in Eurasia"
