Support letter for Research Center Alternative Georgia's proposal to be submitted
to the 5% Initiative within the Call for Proposals "Strengthening high-quality health systems

accessible for all". Reference: AP-SPC-2017-02 / ACCESS TO HEALTHCARE FOR

VULNERABLE POPULATIONS

Dear Sir/Madam,

With this letter Georgia CCM expresses its enthusiastic support to Alternative Georgia's
proposal to be submitted to the 5% Initiative under the Call for Proposals "Strengthening high-
quality health systems accessible for all".

Proven experience of Alternative Georgia in the field of operational research and in cross-cutting
areas as well as high expertise of the organization represents important factors for meeting the
primary objectives of the project and achieving the expected results.

Being One National AIDS, Tuberculosis and Malaria authority in the country Georgia CCM
expresses its readiness to cooperate with the project the proposal is being submitted. Georgia
CCM also acknowledges the readiness to cooperate with the Alternative Georgia within the
framework of the project provided that the proposal is favorably received by the 5% Initiative to
ensure coordination and harmonization with Global Fund projects and state programs.

Respectfully,

David Sergeenko

CCM Chair

Minister of Labor, Health and Social Affairs of Georgia
