TOP “MUST TRY” FOODS IN ADJARA

Georgian cuisine is known for its colorful diversity, use of different techniques and traditional table layouts

There is no similar term or concept in the world for a **Georgian Supra**.

Traditional Georgian dishes such as: “*Satsivi, Mtsvadi, Khachapuri, Mchadi, Khinkali, Chkmeruli, Pkhali with walnut, bean, etc. dominate in Adjarian cuisine as well*”

Apart from traditional Georgian dishes Adjara is also famous for its local cuisine.
