

Amiran Gamkrelidze  
Director General  
National Center for Disease Control and Public Health  
Tbilisi 0198, Kakheti Hwy. #99  
Georgia

Dear Dr. Amiran Gamkrelidze,

I am pleased to inform you that as agreed with the NCDC a delegation from the International Centre for Antimicrobial Resistance, ICARS, will take part in a fact-finding mission in Georgia from **28 September to 2 October 2020** concerning the upcoming ICARS projects on mitigation of antimicrobial resistance in Georgian healthcare facilities and agricultural and veterinary settings. Furthermore, during the mission the delegation will participate in signing of the memorandum of understanding between ICARS and The Ministry of Environmental Protection and Agriculture of Georgia (MEPA) and the Ministry of Internally Displaced Persons from the Occupied Territories, Labour, Health and Social Affairs of Georgia (MoH).

The ICARS delegation will include the following persons:

- Scientific Director Robert Skov, ICARS
- Director of Operations Helle Engslund Krarup, ICARS
- Senior Consultant Per Starke Henriksen, ICARS
- Scientific Consultant Anders Dalsgaard, ICARS
- Professor Anders Miki Bojesen, Copenhagen University.

Enclosed please find copies of the delegations passports. As instructed, we will each bring a Danish certificate on negative PCR-test within 72 hours before departure.

We are looking forward to coming to Georgia for the fact-finding mission and MOU-signing.

With kind regards,

Helle Krarup
