Dear Neil,

On behalf of the Office of the State Minister of Georgia on European and Euro-Atlantic Integration, I would like to thank you and your team for assisting us with the organisation of our annual International Conference, "Georgia's European Way". This year's conference was a great success and we appreciate your help in forging new relations with a number of significant international stakeholders. IDEN has a clear understanding of our objectives and goals and it has been a great pleasure to work with you, during the course of this year.

We look forward to future collaborations and thank you once again for your efforts.

Sincerely,
