

Online consultation on the draft global action plan to promote the health of refugees and migrants

With reference to decision EB140 (9) and WHA70.15 on '[Promoting the health of refugees and migrants](#)', which requested that the Director-General prepares a draft global action plan to promote the health of refugees and migrants, you are kindly invited to participate in a consultation on the draft global action plan to promote the health of refugees and migrants. The deadline for responses is 15 September 2018.

Instructions for the consultation:

The online consultation has been divided into six sections, in line with the draft global action plan:

Draft global action plan

- I. Introduction
- II. Overview of the global and regional situation
- III. Health consequence, challenges and opportunities
- IV. Roles and Responsibilities
- V. Scope and guiding principles
- VI. Strategic directions for action by Member States, national and international partners and the WHO Secretariat

Please provide any comments that you might have under these six sections of the consultation. There is a box at the end of the consultation for general comments. If a comment is specific to a particular paragraph, please ensure you make it clear by indicating the paragraph you are referring to in the correct section of the consultation form.

We have made it mandatory to provide your contact details in order to facilitate further exchange of knowledge and interaction on any queries and questions directly between WHO Secretariat and yourself. Fields marked with (*) are mandatory. Thank you in advance for your feedback and comments.
