

Ms Ekaterine Tikaradze
Minister
Ministry of Labour, Health and Social Affairs of Georgia
144 Akaki Tsereteli Ave, 0159, Tbilisi, Georgia

October 3, 2020

Dear Minister,

I would like to extend my appreciation for the meeting held at the Ministry of Health with your officials on October 30, 2020.

During the course of the meeting your officials kindly suggested that we might submit our requests and any additional questions in writing.

I would be most grateful if you could consider the following:

Could the ministry provide us daily updates on new infection outbreaks, their location and data about active cases? This is especially important for us in the context of the deployment of long and short-term observers.

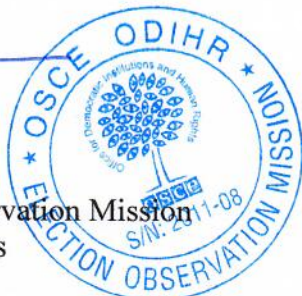

We would also like to request a medical consultant dedicated to the Election Observation Mission whom we could contact in case of emergency.

Thank you for your cooperation and I look forward to hearing from you at your earliest convenience. I have copied this letter to Mr. David Abesadze, our point of contact at the Ministry of Foreign Affairs, for his awareness and to avoid any duplication.

Yours sincerely,

Jillian Stirk
Head of the Mission
ODIHR Election Observation Mission
