H.E. Ms. Kelly C. Degnan
Ambassador Extraordinary and Plenipotentiary
of the United States of America to Georgia

Your Excellency,

Allow me to extend my deepest gratitude to You personally and to the Embassy of the United States of America for continued and fruitful collaboration.

On behalf of the Ministry of Internally Displaced Persons from the Occupied Territories, Labour, Health and Social Affairs of Georgia, I would like to kindly request assistance from the U.S. government to provide subject matter experts in network defense measures to assist the Ministry and the National Center for Disease Control and Public Health (NCDC) in defending its critical infrastructure networks. Our networks are experiencing frequent intrusions exceeding our capacity to respond and secure our critical information.

In an effort to identify threats to our systems and to protect them more effectively, we kindly request cooperation in the following areas: cyber key terrain analysis, network security monitoring, endpoint digital forensics, proper configuration of security logs and auditing, defensive cyberspace operations trade craft instruction, and threat identification and mitigation.

Please, kindly note that all general questions and correspondence concerning this request should be directed to the Ministry of Internally Displaced Persons from the Occupied Territories, Labour, Health and Social Affairs of Georgia. Mr. Mikheil Janiashvili, Head of IT Department (tel.: +995577222844; mic@moh.gov.ge) will ensure the overall coordination of this issue.

Thank you once again, Madam Ambassador, for cooperation and continued support.

Sincerely yours,

Minister
