Letter of reference

Dear Sir/Madam,

It is my pleasure to write this reference letter for Ms. Mariana Mkurnali, who I have known for many years from the Ministry of Defence of Georgia and two years in my capacity as the Head of the Mission of Georgia to NATO, where she works as a defence counsellor. During this period I had the opportunity to evaluate closely her working abilities and extraordinary personality.

I would characterize Ms. Mkurnali as an intelligent and excellent professional, dedicated and trustful person, with healthy ambitions to accomplish her tasks with highest quality and responsibility. She can manage to perform even in critical circumstances and can easily adapt to the changing environment.

Mariana is a very reliable, loyal and hardworking colleague, she demonstrates an unusually high degree of motivation, perfectly performs her duties and is considered as a highly organized and innovative person, always enthusiastic to assist her colleagues as needed.

Being well aware of this ambiance and high professional standards, I do sincerely regret that after 4 years of service Marianas's rotation at the mission of Georgia to NATO comes to an end.

I firmly believe that Ms. Mkurnali can significantly contribute to the position of Administrative assistant at the NATO Liaison Office.

Therefore, I recommend her unreservedly and encourage and support her every endeavour.

If you have any further questions, please do not hesitate to contact me.

Sincerely,

Alexander Maisuradze

Ambassador, Head of the Mission of Georgia to NATO
