Dear Dr. Talaat Ismail,

It is my pleasure to invite you to the Hepatitis C Technical Advisory Group (TAG) Meeting, which is to be held on November 30 – December 1, 2017 in Tbilisi, Georgia.

The aim of the Meeting is to evaluate the progress of the Hepatitis C Elimination Program in Georgia, discuss recommendations of the TAG members and define future perspectives of the program implementation.

We would highly appreciate your participation in the TAG meeting in order to receive your feedback and suggestions on HCV elimination program implementation in Georgia and share best practices of the Arab Republic of Egypt, which took significant steps towards the elimination of the disease.

Looking forward to meeting you in Tbilisi.

Sincerely yours,

Minister
