Dr. Nedret Emiroglu
Director
Division of Health Emergencies and Communicable Diseases

Dear Dr. Emiroglu,

I avail myself of this opportunity to express our willingness to host the team of international experts who will visit Georgia to participate in the National Conference dedicated to Introduction of HPV Vaccine and a Crisis Communication Stakeholders Meeting.

Let me also underline that your offer of the technical support in conducting the National Conference is highly appreciated.

I am looking forward to the visit of your team to Georgia on November 13th to November 16th, 2017 and hope that with the kind assistance of your mission's representatives the participants will have the valuable opportunity to review the data on the efficacy and safety of HPV vaccine and as a result the Georgian specialists will be able to expand their knowledge.

Thank you for continued collaboration.

Sincerely yours,

Deputy Minister

Nino Berdzuli
