Dear Dr. Emiroglu,

I avail myself of this opportunity to renew to you the assurance of my highest consideration.

We highly appreciate your willingness to increase and strengthen the national and regional capacity in BSC maintenance in a sustainable and cost efficient way.

I am looking forward to host training participants to Georgia on August 29th -September 7th, 2017 and hope that the participants will have the responsibility of assessing and maintaining BSCs in the future and as a result the Georgian specialists will receive the advices for further improvement.

Thank you for continued collaboration.

Sincerely yours,
