Dear Sir/Madam,

It is my pleasure to address you in support of the project: "Support to Georgia in organization of the III level comprehensive cancer control by the development of the Universal Medical Center as a regional leader cancer care facility", submitted by the "Universal Medical Center".

Universal Medical Center is a tertiary level (specialized) oncological inpatient medical facility that functions as a referral hospital throughout Georgia.

We believe that the project will significantly improve the infrastructure of the State owned medical facility which will be a great opportunity for enhancing the patients' access to a high-quality services and comprehensive cancer care.

The Ministry of Labour, Health and Social Affairs will be observing the project implementation with great interest and would like to acknowledge full support for the proposed project.

Sincerely,

Deputy Minister

Nino Berdzuli
