REM 17/500 - MRF/mgm

Sir,

On behalf of the International Committee of the Red Cross (ICRC), I would like to thank you for your government's response to our Headquarters Appeal. By supporting our headquarters, you are contributing to a number of important activities and initiatives that help us meet the needs of people caught up in armed conflict and other situations of violence.

Our Geneva office plays a pivotal role in strengthening international humanitarian law and developing policy initiatives to enhance the protection of the most vulnerable, be they civilians, detainees, the wounded or the sick. Headquarters also lends frequently decisive support to the diplomatic efforts of the 80 field delegations with which it works day-in, day-out. Thanks to the unique ability of the ICRC to bring its knowledge of the reality on the ground to the attention of the main global and regional stakeholders, the organization is more effective in fostering an environment that favours respect for humanitarian law and action.

His Excellency
Mr Shalva Tsiskarashvili
Ambassador Extraordinary and Plenipotentiary
Permanent Representative
Permanent Mission of Georgia
Rue Richard Wagner 1
1202 Geneva

Finally, mobilizing resources as needs arise is a key activity for the organization as a whole that only headquarters can lead.

Please find enclosed the acknowledgement of receipt and allow me to thank you once again for your continued support for ICRC headquarters.

Please accept, Sir, the assurance of my high consideration.

Peter Maurer
