

WHO Draft 13th General Programme of Work

Mission Briefing

November 8, 2017

“It’s this moment of human suffering that was my moment of truth. That moment defines what WHO does and why WHO exists.” ~ Dr Tedros

Purpose & Background

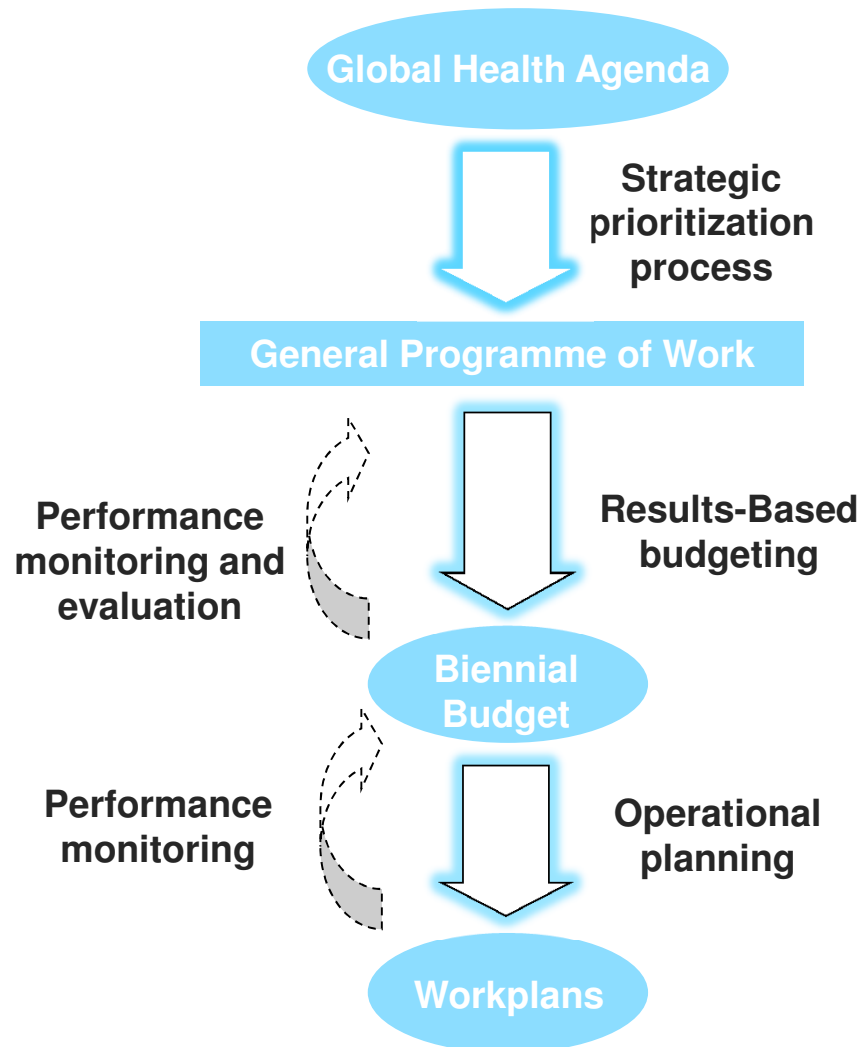

- **Purpose**

- Introduce draft 13th GPW to elicit your feedback
- Feedback will be incorporated into revised GPW for presentation to EB 142

- **Background**

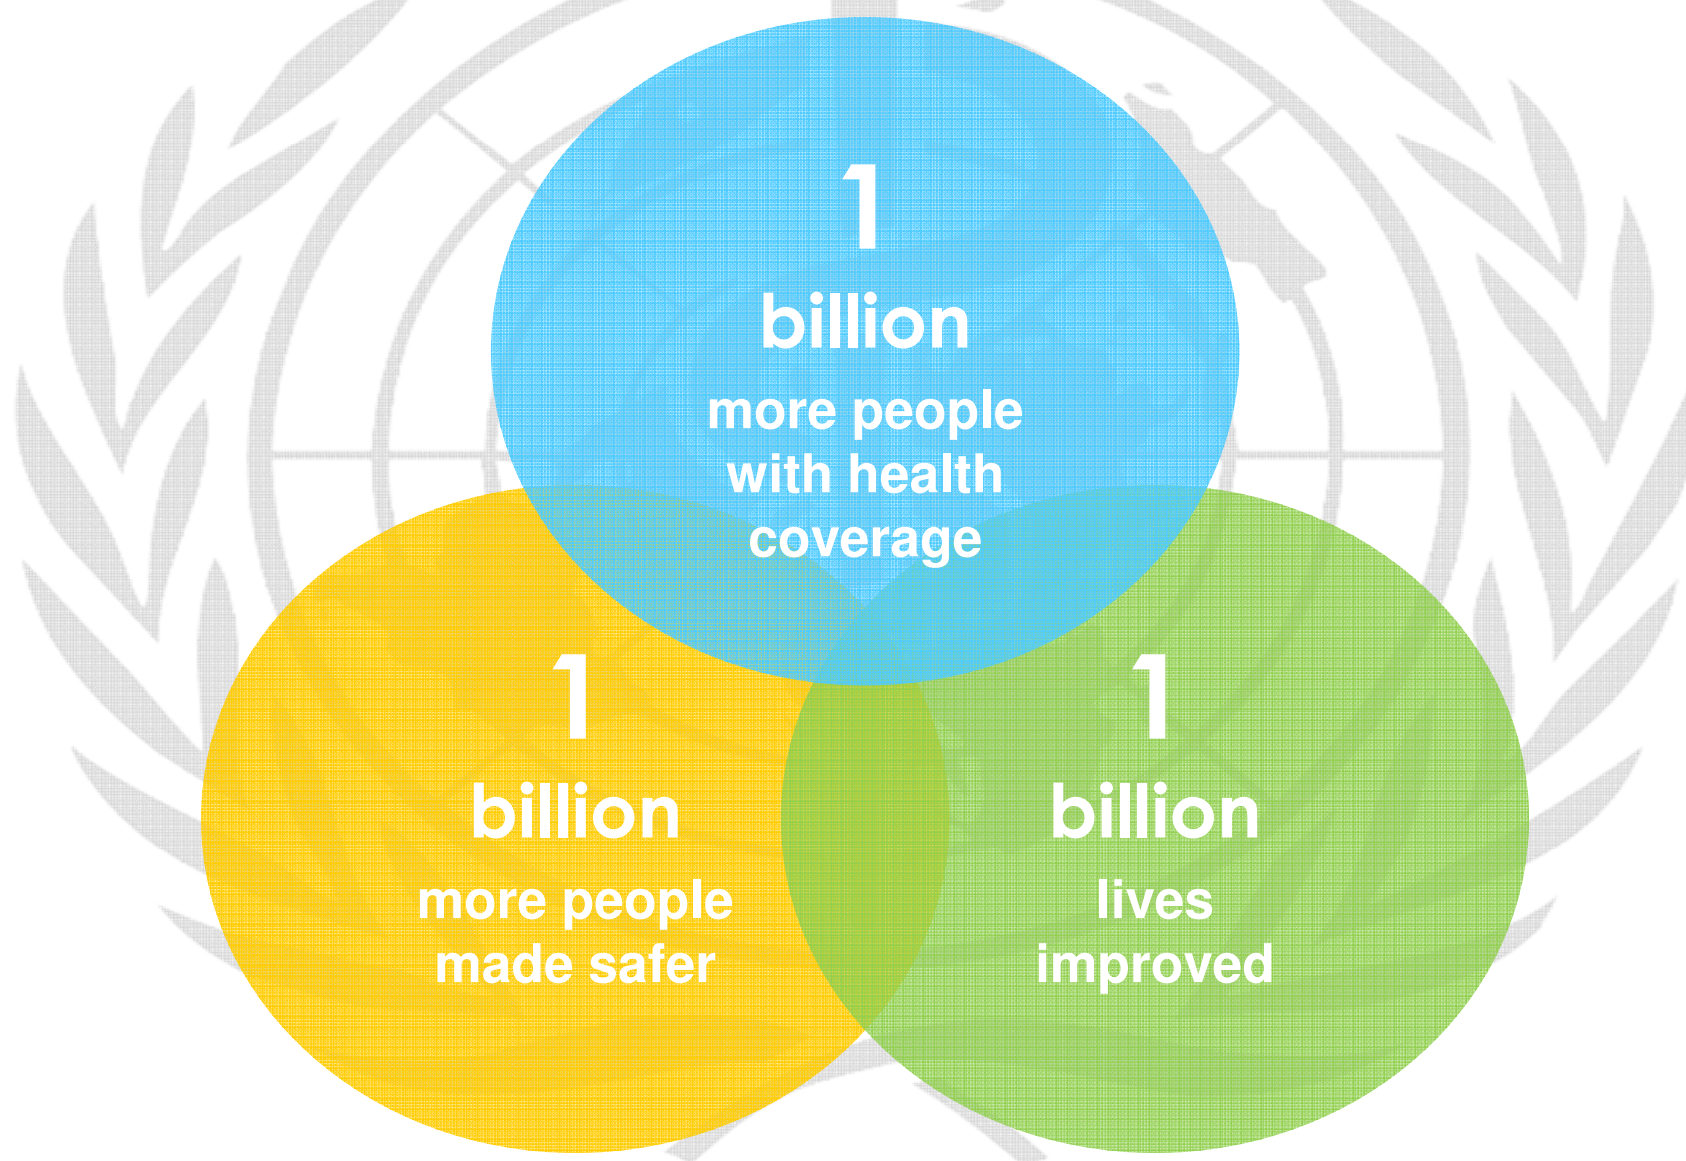

- GPW 13 draft concept note published August 2017
- Extensive feedback through six Regional Committee meetings, online consultation (> 160 responses), staff consultation (including Ideas for Change process)
- This feedback was basis of current draft GPW
- Process is inclusive & fast tracked

What is the GPW?

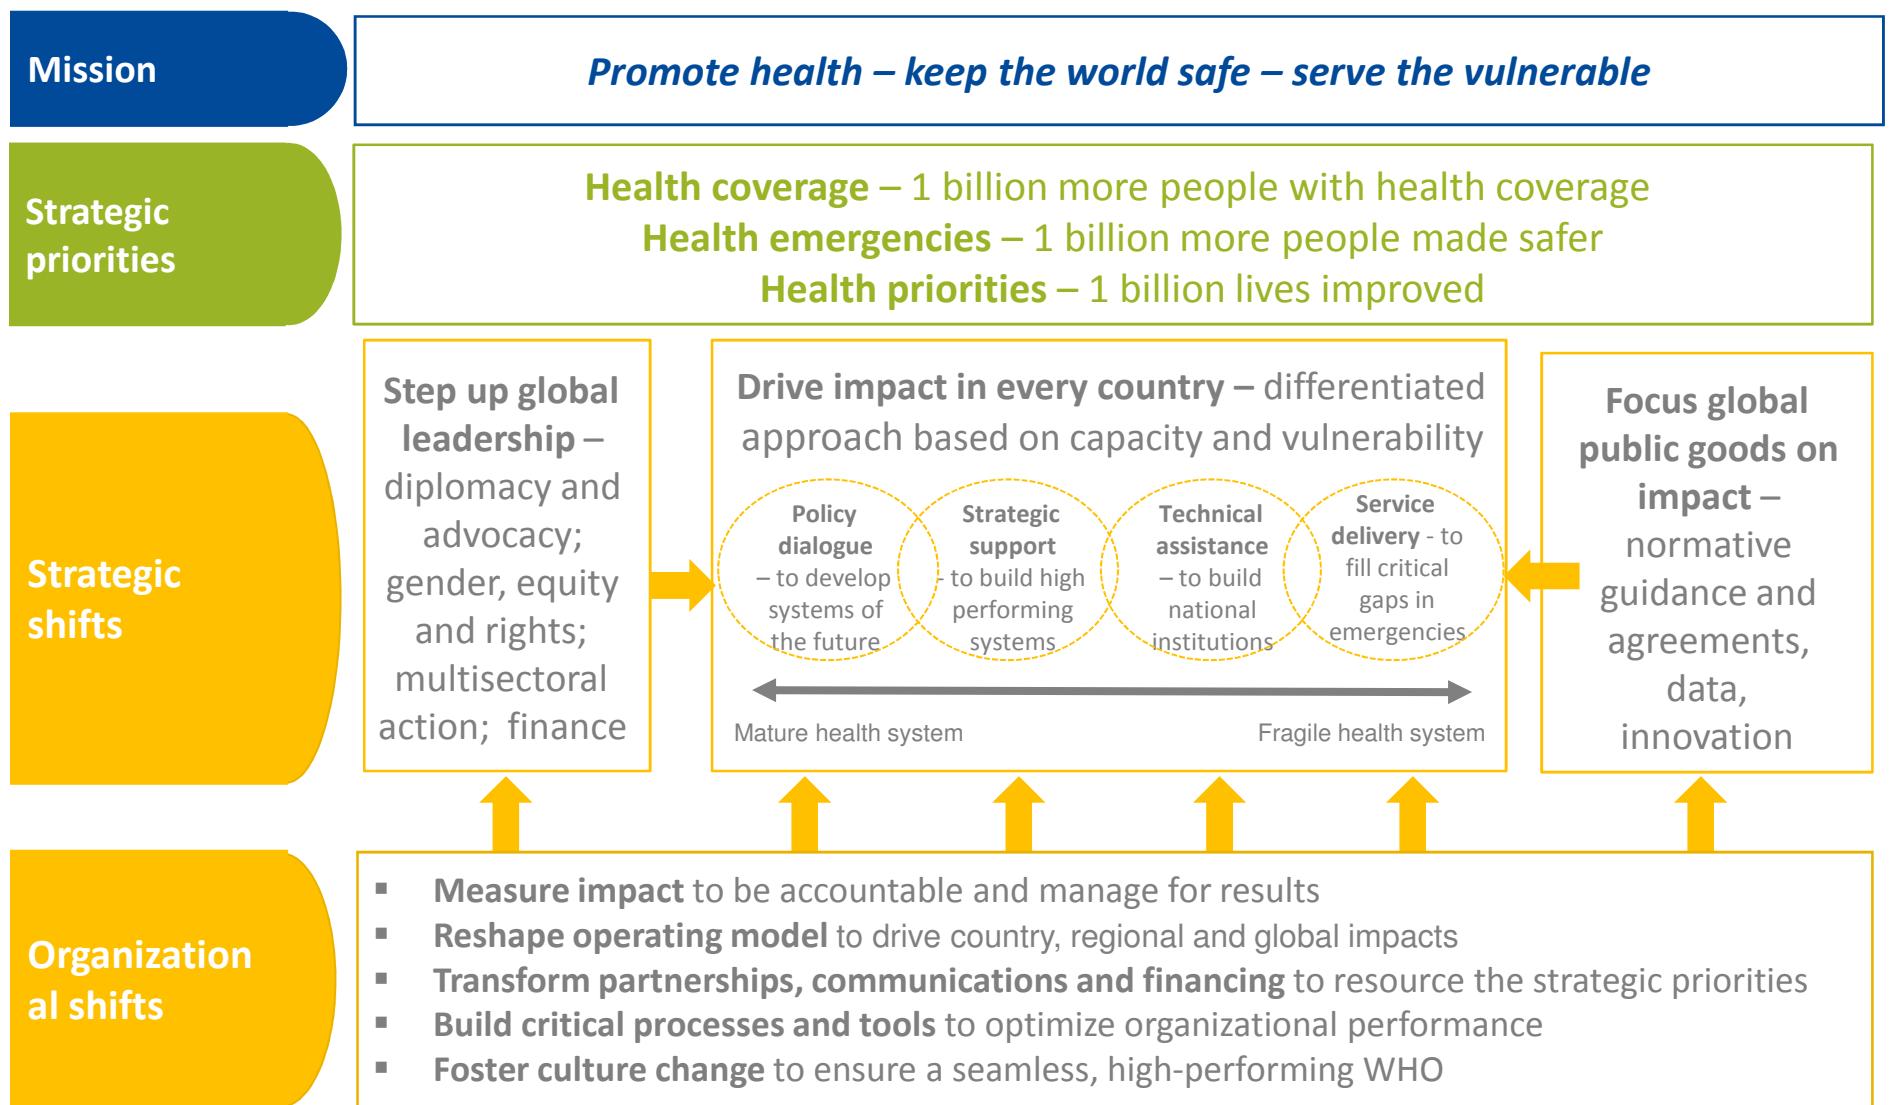

- Constitutional requirement
- Provides high-level strategic vision and mission
- Outlines Member State-agreed strategic priorities and shifts
- Provides direction for programming and budgeting
- Main instrument for accountability and transparency
- Strategic basis for resource mobilization

GPW13 sets bold targets

WHO's draft thirteenth general programme of work: 2019–2023

The major shifts in GPW 13

WHO will:

- base GPW 13 on the SDGs
- focus on impact
- create flagships on climate change in small island States, antimicrobial resistance, NCDs including mental health, human capital
- step up global leadership
- drive impact in every country
- strengthen normative work
- strengthen approach to resource mobilization
- act with a sense of urgency

WHO Impact Framework: Targets

Universal Health Coverage

Health Emergencies

Health Priorities

GOAL 2: End hunger, achieve food security and improved nutrition, and promote sustainable agriculture

GOAL 3: Ensure healthy lives and promote well-being for all at all ages

GOAL 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

GOAL 5: Achieve gender equity and empower all women and girls

GOAL 6: Ensure availability and sustainable management of water and sanitation for all

GOAL 13: Take urgent action to combat climate change and its impacts

Case studies from WHO Country Representatives

Next steps

- EB SS will consider draft GPW Nov 22/23 and summarize key consensus recommendations made by Member States for revision
- Secretariat to revise draft during Nov & Dec 2017 and publish revised GPW by early January
- EB 142 to discuss revised GPW for submission to the 71st Health Assembly for consideration and approval
