Your Excellency,

On behalf of Gavi, the Vaccine Alliance, I am pleased to inform you that the Gavi Secretariat has reviewed the additional information provided by the Republic of Georgia in response to clarifications requested by the Independent Review Committee (IRC).

Taken into account the IRC recommendation along with the additional country clarifications, I am pleased to inform you that Georgia's proposal for support of the HPV Demo programme has been approved.

A Decision Letter will be sent shortly containing the formal financial and programmatic information for the approved programme.
