Dear Minister,

**Invitation to the Session on the Roadmap to Implement
the 2030 Agenda for Sustainable Development
at the
67th session of the WHO Regional Committee for Europe
Budapest, Hungary, 11–14 September 2017**

Further to the invitation to the 67th session of the WHO Regional Committee for Europe (RC67), I have the pleasure to invite you to be one of the panellists in a 30-minute round table discussion during the session on health and sustainable development, which will take place on Tuesday, 12 September, at 10:30–12:30.

The session topic is the roadmap to implement the 2030 Agenda for Sustainable Development, building on the Health 2020 policy framework. I would be grateful if you could share your experience in health systems strengthening, public health, working with other sectors and financing for health and governance.

Among the questions for consideration are the following.

1. Does the roadmap enable your country to implement the health-related aspects of the Sustainable Development Goals?
2. How will the roadmap support Member States in the implementation of the Sustainable Development Goals?
3. Are there any further suggestions related to the roadmap?
4. What key steps of follow-up do you propose?
5. How can Member States strengthen governance for health and development?

I look forward to receiving confirmation of your participation at this session, and to welcoming you to RC67 in Budapest.

Yours very truly,

Dr Zsuzsanna Jakab
Regional Director
