Dear Sir or Madame:

As part of the new Country Partnership Strategy preparation process we would like to solicit your views on the effectiveness of the World Bank Groups' activities in Georgia. We will therefore appreciate you taking the time to complete the enclosed questionnaire either in Georgian or in English.

The questionnaires are being simultaneously sent to our clients and partners in Georgia – including representatives of government, development partners, private sector, and civil society organizations – who are involved in development in Georgia and are familiar with the World Bank and other development partners' activities.

We assure you that all individual responses will be anonymous. Please, return the survey to ACT, an independent research firm based in Tbilisi that we have hired to oversee this process.

Please feel free to email Sophie Devnosadze (sdevnosadze@worldbank.org) in the country office if you have any questions or concerns.

Thank you in advance for your participation in this important survey. Your opinion matters.

Sincerely,
