Dear Mr. Lianpo,

First of all, I would like to express my compliments and gratitude to the Embassy of the People's Republic of China in Georgia and the Economic and Commercial Councilor's Office for continued collaboration and support.

With this letter I would like to address you regarding Georgian delegation's participation in the 2017 Seminar on Medical and Health Administration for Georgia, which is to be held in Beijing, China on 4-23 August. Due to the short time left for the preparation of the study trip, I would like to kindly ask you to consider the possibility of rescheduling the date of departure from Tbilisi, Georgia to Beijing, China for the representatives of the LEPL Social Service Agency from 2nd of August to 4th of August 2017.

In addition, I kindly ask you to include Ms. Eka Bochorishvili, Chief Specialist of Quality Control Division at the Control Department of Medical Assistance of the LEPL Regulation Agency for Medical Activities in the delegation of Georgia to participate in the above mentioned seminar with the representatives of the LEPL Social Service Agency.

Once again, please accept my sincere appreciation for your assistance and collaboration.

Sincerely yours,

Deputy Minister
