Dear Ms Bidauri,

I was pleased to learn that you have been nominated by your Government to participate in the above meeting.

An outline of the scope and purpose of the meeting is enclosed.

Invitations were sent to all Member States of the WHO European Region. Participants should be knowledgeable about the situation of WASH in health-care facilities in their countries. They are expected to present and reflect upon the country situation at the meeting and facilitate follow-up activities to improve national policies and actions in this area.

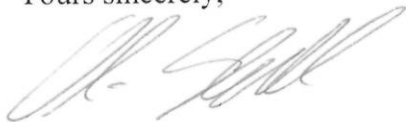

The working language will be English, and simultaneous interpretation into Russian will be provided.

We will contact you regarding your itinerary and travel arrangements for this meeting for round trip travel by the most direct route, by train (first class) and/or air (economy class). We will provide you with your travel ticket.

You will also receive a daily subsistence allowance for the duration of the meeting, in accordance with our travel regulations. The World Health Organization will not be held liable for any claim resulting from death, injury, sickness or disability and you will be responsible for payment of charges for excess baggage, baggage insurance and ground transport to and from airports, airport taxes and incidental expenses.
