John Ward, MD
Task Force for Global Health
Atlanta, Georgia

Dear Dr. Ward,

With this letter I would like to express my most sincere appreciation for collaboration and significant support rendered to the Ministry in implementation of Hepatitis C Elimination Program in Georgia and for chairing the Technical Advisory Group (TAG) for the last three years.

The great progress that this program has made would not have been possible without your support, support from the CDC team, and guidance from the TAG.

I greatly value these contributions and would like to once again thank you for your service as the TAG chair.

I wish you the very best in your future endeavors.

Sincerely yours,

Minister

David Sergeenko
