Based on your participation to the first meeting of the network we are happy to invite you to this follow-up event. The conference will take place in Baku, Azerbaijan, thanks to the support of the Azeri government.

The aims of the meeting are to gather competent authorities responsible for medicines financing so to promote collaboration on Universal Health Coverage (UHC), to focus on access to essential medicines and reduction of out-of-pocket (OOP) payment for medicines and facilitate introduction of sound policies regulating the price and reimbursement of medicines and to share best practices among countries and provide training opportunities. A preliminary programme is attached to this letter.

The working languages of the meeting will be English and Russian, with simultaneous translation provided.

The WHO Regional Office for Europe will organize travel in line with WHO travel rules and you will receive an economy class e-ticket. In case you need a visa, please verify that you have a valid visa for the duty travel period. WHO can send you visa support letter if needed.
