Dear Dr Nino Berdzuli,

Strengthening Georgian National Immunization Technical Advisory Group

I have a pleasure to inform you that the WHO Regional Office for Europe provides continuous support in strengthening National Immunization Technical Advisory Group (NITAG) in Georgia.

The Regional Office would like to propose that the team of experts visit the country for the period from 16-20 May 2017. The team will consist of Dr Liudmila Mosina, the Regional Office, Dr Jonathan Crofts and Dr Anthony Harnden, United Kingdom Joint Committee on Vaccine and Immunization. The objectives of the mission are to participate in the Georgian NITAG meeting, evaluate the process of development of NITAG recommendations, and provide advice on its improvement.

We would be grateful to receive your positive reply to our proposal and look forward to our further collaboration.

If you have any queries please do not hesitate to contact Dr Liudmila Mosina, Technical Officer, Vaccine-Preventable Diseases and Immunization, by email mosinal@who.int or fax +45 45337001.

Yours sincerely,

Dr Nedret Emiroglu
Director
Division of Health Emergencies and Communicable Diseases
