Admission Statement

LS,

The Examination Board of the Erasmus School of History, Culture and Communications confirms that Vakhtang Urushadze is admitted to the master's degree programme Arts and Culture Studies, specialisation Cultural Economics and Entrepreneurship (CEE). Cultural Economics and Entrepreneurship is a one year programme and the tuition for students from non-EER countries is €10,600.

We are delighted to welcome Mr Urushadze because his former education with specialisations in arts, economics and business and his ambition is a perfect preparation for the CEE programme. Also his international (work) experience is an important addition to his appropriateness.

We are convinced Vakhtang Urushadze meets the university requirements and especially the requirements for the international program CEE and that he is fully eligible to continue his study in the Netherlands at the Erasmus University Rotterdam.

We are looking forward to welcome him.

Yours sincerely,

Prof. dr. J. Jansz
Chair Examination Board
