Contracts for June 5, 2018

June 5, 2018

Contracts

Release No: CR-105-18

DEFENSE THREAT REDUCTION AGENCY

Black and Veatch (HDTRA118D0003); Raytheon Co. (HDTRA118D0004); URS Federal Services (HDTRA118D0005); Parsons Government Services International Inc. (HDTRA118D0006); CH2M Hill Inc. (HDTRA118D0007); and PAE National Security Solutions LLC (HDTRA118D0008), are each being awarded an indefinite-delivery/indefinite-quantity (IDIQ), multiple award services contract for the Cooperative Threat Reduction (CTR) program. The mission of the CTR program is to partner with willing countries to reduce threat from weapons of mass destruction (WMD) and related materials, technologies, facilities, and expertise. The maximum dollar ceiling including the base period and seven options for all six contracts combined is \$970,000,000. Work will be performed at various locations throughout the world. Task orders issued under the IDIQ may be for a duration of three years past the last ordering date of the IDIQ contracts. Funding will be obligated for each Task order and no funds are obligated on the basic IDIQ contracts. The contracts were competitively procured via solicitation HDTRA1-16-R-0027; the government received seven offers. The Defense Threat Reduction Agency, CTR Contracting Office/DTRA/AL-ACO, Fort Belvoir, Virginia, is the contracting activity.

NAVY

Northrop Grumman Systems Corp., Military Aircraft Systems, Melbourne, Florida, is being awarded a \$153,240,394 modification (P00056) to a previously awarded fixed-price-incentive (firm-target) contract (N00019-13-C-9999) for the procurement of one Japan configuration E-2D Advanced Hawkeye Aircraft for the government of Japan. Work will be performed in St. Augustine, Florida (24.9 percent); Syracuse, New York (19.05 percent); Melbourne, Florida (7.6 percent); Indianapolis, Indiana (4.08 percent); El Segundo, California (4 percent); Menlo Park, California (3.83 percent); Rolling Meadows, Illinois (2.3 percent); Aire-sur-l'Adour, France (1.49 percent); Owego, New York (1.37 percent); Woodland Hills, California (1.26 percent); and various locations throughout the U.S. (30.12 percent), and is expected to be completed in March 2020. Foreign military sales funds in the amount of \$153,240,394 are being obligated on this award, none of which will expire at the
