Head of the MIA Border Police of Georgia Dato Nikoleishvili hosted Deputy Director of the US Defense Threat Reduction Agency (DTRA), Rear Admiral Scott B. Jerabek, and the delegation at the Coast Guard Department. At the meeting the sides discussed existing challenges and touched upon the cooperation plans for future. The meeting was attended by the Deputy Minister of Internal Affairs Davit Vardiashvili.

The DTRA team visited the Coast Guard Shipyard Facility and attended craning of a patrol boat from sea by means of a 200 ton-patrol boat crane that had been handed over from US Defense Threat Reduction Agency. The American high officials also visited the Batumi boat basin of the Coast Guard Department.

The above-mentioned projects have been carried out with financial support from the US Defense Threat Reduction Agency.
