 Overview

⌚ Activity 1

 Thu, Sep 27, 2012 5:01 PM Christopher Johnson Special Notice

Added a solicitation number:
USA-SNOTE-092712-001

Special Notice

Added a synopsis:

U.S. Army Dugway Proving Ground is anticipating providing chemical and biological warfare agent or simulant testing through FY2013 for various private commercial industry (Non-Department of Defense) organizations. Test services may include munitions, meteorological, and/or Unmanned Aerial or Ground Vehicles/Systems. Services may require laboratory, chamber, field, range facilities and personnel support. If your organization has the capabilities to provide these types of services or support, if you have inquiries, or additional request (s) for information, they may be directed to: Christopher M. Johnson, P.E. Chief, Operations Division TEDT-DPW-OP Office: (435) 831-7246 Email: Christopher.M.Johnson154.civ@mail.mil
