Synopses Tue, Feb 13, 2018 6:15 PM

U.S. Army Dugway Proving Ground is anticipating providing chemical and biological warfare agent or simulant testing through FY2018 for various private commercial industry (Non-Department of Defense) organizations. Test services may include Chemical, Biological, Smoke Obscurants Munitions, Meteorological, and/or Unmanned Aerial or Ground Vehicles/Systems. Services may require laboratory, chamber, field, range facilities and personnel support. If your organization has the capabilities to provide these types of services or support, if you have inquiries, or additional request (s) for information, please direct them to: U.S. Army Dugway Proving Ground West Desert Test Center (435) 831-5675 or (435) 831-5416 NOTE: This notice is not a solicitation for quote or proposal. It is merely an advertisement for parties interested in utilizing Dugways many highly capable testing facilities and testing personnel.
