Gilead Sciences Europe Ltd.

Dear Graeme,

First of all thank you once again for your invaluable support to Georgia.

As you may recall we asked you to provide us with medicines enough for the treatment of patients with most advanced stages of the disease. With all preliminary analysis the amount of such patients currently is approximately 5000.

Under the elimination program of Hepatitis C in Georgia could you provide the Ministry of Labour, Health and Social Affairs of Georgia with Sovaldi in amount that will be enough for the treatment of the initial 5000 patients free of charge.

Thank you in advance for your cooperation and support.

Best Regards,

Minister

D. Sergeenko
