To Mr. Graeme Robertson
Director, Access Operations and Emerging Markets
Gilead Sciences Europe Ltd.

Dear Mr. Robertson,

First of all, thank you once again for your invaluable support to Georgia.

Regarding your enquiries, attached please find request of the Ministry of Labour, Health and Social Affairs of Georgia and description of requirements of warehouses:

The exact delivery address, as mentioned in draft MOU, is CIP Tbilisi International Airport. Furthermore, we have two main warehouses with address as follows:

- a. #21a Kavtaradze st., Tbilisi, Georgia, 0186 and
- b. #76/1 Uznadze st., Tbilisi, Georgia, 0102

The exact billing address will be: #144, Tsereteli ave., Tbilisi, Georgia, 0159. The Receiver will be LEPL of the Ministry of Labour, Health and Social Affairs of Georgia - Social Service Agency.

Furthermore, we have some technical issues to resolve:

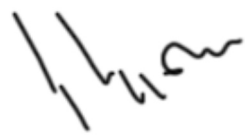

As the receiver of the medicinal products will be LEPL Social Service Agency and if it will be possible, could we also sign separate document in order for Social Service Agency to be able to make the custom clearance of the medication.

We are going to need to get confirmed invoice in the name of Social Service Agency before the delivery of the medications. Invoice must include the name of the medication, quantity, unit price (even symbolic one) and indication that the goods are free of charge. Also for the custom clearance we are going to need following documentation: original invoice, packing list, certificate of origin, quality certificate and airway bill.

Thank you in advance for your cooperation and support.

Best Regards,

Minister
