Congratulations to You Mauzzam, Francisco, Georgia colleagues and all of the authors for this timely progress report for the Georgia HCV Elimination Program. A great example of transparent accountable implementation of program that is demonstrating remarkable success.

Thank you all.

Regards: John

Subject: MMWR 2017-World Hepatitis Day--The Role of Screening and Treatment in National Progress Toward Hepatitis C Elimination — Georgia, 2015–2016 (PUBLISHED)

Dear all,

I am pleased to inform you all that our MMWR “**The Role of Screening and Treatment in National Progress Toward Hepatitis C Elimination — Georgia, 2015–2016**” is now published (attached).

I want to thank everyone for their input and contribution, without which this publication would have not been possible.

Thanks and looking forward to further collaboration/s.

Muazzam
