We would like to confirm that 30 June works (27 June does not).

Will look for invite from Angela, and will forward to others as observers (2 or 3 from CDC).

Thank you, FA

Greetings,

Thank you for your reply. Dr. Sergeenko has confirmed either date will work for him. I will wait to hear from Dr. Ward before proceeding with an invite to include a dial-in.

Sincerely,
Angela

Angela- thank you for working with us, I believe it will be Dr. Ward and me for CDC, and I think the 30th will work for us (27 not good), but need to confirm with Dr. Ward. We will revert shortly.

And of course Dr. Sergeenko must be amenable, with the time/date.

Subject: Oversight Committee Call

Greetings,

Gregg Alton has requested I set up a 2 hour Oversight Committee Call. We reviewed the calendar and have identified these two dates as possibilities:

Monday, June 27th 8:00am Pacific/6:00pm Ukraine
Thursday, June 30th 8:00am Pacific/6:00pm Ukraine

If you would kindly let me know if either of these dates will work. Gregg's travel schedule is very busy

over the next couple of months, so we were hoping to take advantage of one of these dates, but we are happy to look for additional dates if neither date is convenient.

Francisco and Davit, we understand there may be an additional attendees in addition to yourselves on this call, if you would please confirm if there will be others on the call, I'm happy to include them on the invite.

Sincerely,
Angela
