Georgia Lessons LearnedEASL 2018final.pptx;

David and Amiran: I was invited to present an overview of the Georgia Hepatitis Elimination Program at EASL. My presentation is attached. As you will see, I compared the program to the key public health components typically outlined for disease elimination programs. You will be happy to see the Georgia program meets many of these.

Best regards

John W. Ward, MD

Director, Viral Hepatitis Elimination Program

Task Force for Global Health
