Dear Dr. Sergeenko,

I have communicated with Dr. Del Rio from Emory, and he indicated he would be interested in re-joining the TAG this year, if you concur. I think he is excellent and I would endorse his return, as we do expect some turnover this year. Have you heard from Dr. Mermin about his interest?

Also, we have now scheduled time to meet with GS in Paris next week, so that is very good.

Best regards, FA
