Dear Juliette,

As I was informed Mr. Amiran Gamkrelidze will not be able to attend meeting tomorrow, May 19th at 11:00 at the Ministry. Mrs. Irma Khonelidze will be presented on the meeting with Maia Alkhazashvili.

Thank you Sopo. This works well for us.

From our end, Beth Skaggs, Maia Alkhazashvili and myself will be presenting on the core antigen. Again, I am not sure if Amiran or others from NCDC will join, we have only been in touch with Maia about the meeting.

We look forward to tomorrow,

Best regards,
Juliette

Dear Juliette,

Please ignore my previous email.

I was just informed that on Friday, May 19th at 13:00 the Minister has another meeting so I think that it's better to schedule the follow up meeting with you on Friday, May 19th at 11:00.

Please let me know if the time suits you.

Dear Sopo,

I hope this email finds you well.

During the call we had last Thursday (at 8pm!) with Minister Sergeenko and my colleagues from Atlanta we discussed a new Hep C diagnostic test (core antigen). The Minister asked if we could have a brief follow up meeting with him so we could share additional information regarding this test.

I am reaching out to you to see if this meeting could be scheduled for later this week, maybe Friday May 19th or if not Monday May 22nd. I travel on May 23rd so I will not be available after Monday until the following week.

Maia Alkhazashvili, Beth Skaggs and myself will be participating in the meeting. I will need to inquire with Dr. Amiran if he will also be joining.

Kind regards,
Juliette
