Sub Summery Report (25 hospitals).xlsx;

Dear Sopo,

Attached please find the summary report (excel table) on emergency preparedness of the first group of hospitals. We received that report from Eka Kapandze (MoLHSA), so the respective unit is aware about the situation.

I kindly ask you to list me the priority areas in emergency preparedness, so we can allocate strongly limited funds to the priority areas. You mentioned them during the meeting last week, and yet I am afraid that I may not have full list of priorities within the area of emergency preparedness.

I also kindly ask you for the presentation that minister will give this Wednesday.

Thank you and best regards,

Marijan Ivanusa
