Dear Dr Mebonia,

**Expert meeting on men's health in the WHO European Region.
Almaty, Kazakhstan, 20–21 February 2018**

We have the pleasure to invite you to the second meeting of experts on the 20 - 21 February 2018 in Almaty, Kazakhstan that the WHO Regional Office for Europe is organizing.

The meeting will bring together leading experts in the area of men's health along with partners from selected WHO collaborating centres, nongovernmental organizations, United Nations agencies and academic institutions to advise and support the Regional Office in finalizing the European Strategy on men's health and well-being.

The objectives of the meeting include:

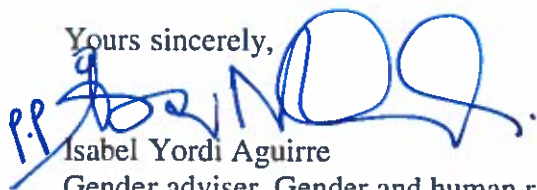

1. To present and discuss the draft strategy and the evidence collected so far for the technical report that informs the strategy.
2. To receive a feedback on both the draft strategy and the draft technical report.
3. To identify challenges and opportunities to addressing the issues identified in the men's health initiative in countries of the European Region.

The event will bring together experts from several countries of the WHO European Region. The meeting participants will also include senior staff of the Regional Office and expert consultants. The scope and purpose of the meeting and a copy of the provisional programme are enclosed. The working language of the event will be English.

We look forward to receiving your confirmation of attendance to Ms Antonella Biasiotto (biasiottoa@who.int) who will then provide the necessary documentation and administrative information.

Looking forward to working together.

Yours sincerely,

Isabel Yordi Aguirre
