Dear Isabel,

Once again, thank you very much for the invitation

You probably know that, I need official invitation letter from the WHO, to participate in the meeting
could you please kindly shear it with me ASAP?

Best regards,
Nana Mebonia

Dear Dr Nana Mebonia,

I am pleased to invite you to participate in the second meeting of experts on men's health in the WHO European Region. The meeting is taking place in Almaty, Kazakhstan on 20 -21 February 2018.

The meeting will bring together leading experts in the area of men's health to advise and support the WHO Regional Office for Europe in developing the report on men's health in the WHO European Region. Mental health and suicide prevention is one of the key areas for men's health and we would very much appreciate your contribution also in line with the recent conference on "Promoting The Mental Health And Wellbeing Of Children and Adolescents".

The specific objectives of the meeting are to:

1. To present and discuss the draft strategy and the evidence collected so far for the technical report that informs the strategy.
2. To receive a feedback on both the draft strategy and the draft technical report.
3. To identify challenges and opportunities to addressing the issues identified in the men's health initiative in countries of the European Region.

The meeting will start on Tuesday 20 February at 13:30 and will finish on 21 February 2018 at 17:30.

Attached is the Scope and Purpose of the meeting, the Provisional Programme and the Information circular to support your participation.

I hope you will be able to participate and would be grateful if you could confirm your participation so we can follow up on the logistics.

Your Sincerely,

Isabel Yordi
