Dear Ms. Khonelidze,

Dear Ms. Belkania,

Dear Mr. Kazaishvili,

Please find attached the final version of the Swiss State Secretariat for Migration's report on the Georgian health care system concerning HIV/Aids-, Hepatitis-C and Tuberculosis treatment. Unfortunately except for the main findings the report is written in German. I still hope, the provided report can be of interest for you and thank you again for all your help and information.

Respectfully,

Tiffany Maurer
