Dear Sopo,

We can understand the situation and will wait as long as possible.

Optionally we may check for the ticket, that can be cancelled without major penalties and see what is the best solution in this situation. It depends on possible price differences.

We stay in touch.

Thank you once again and best regards,

Dear Marijan,

Thank you for your e-mail and proposed support of Minister's visit to the Netherlands for participation in HIV Ministerial meeting.

Hereby, we would like to inform you that on June 20, the temporary government of Georgia has been approved and in 3 weeks the appointment of the new government of Georgia is planned. Therefore, it's difficult to presume in advance whether the Minister will be able to depart in Netherland on July 22-24. In this regard, we would like to kindly ask you to postpone as long as possible the purchase of the ticket in order to avoid inconvenience. Hope for your kind consideration.

With best regards,

Sopo

Dear Sopo, dear Prof. Amiran,

As the new government has been appointed and based on the nomination for the HIV ministerial meeting (attached), we would like to raise the travel authorizations for the minister and prof. Amiran.

Please, be informed that Minister will get registration waiver for his participation at AIDS Conference, national experts are to register themselves.

WHO will cover per diem 22-24 July and return ticket 22-24 July. Lunch on 23 July is provided, and hotel will be pre-paid for 22-24 July (Movenpick Amsterdam Center).

An information circular and updated programme will be shared by early July.

The Minister is also invited to an event which Dr Tedros is organizing on UHC on 23 July at 17 hours. Draft programme is attached. WHO will arrange his transport from Movenpick hotel to RAI, where the UHC and HIV event is planned.

Please, let us know if travel dates of 22 and 24 July are suitable and if there is any preference about the flights/route. Otherwise we will try to find the best flight options.

Thank you and best regards,
