DRAFT GHSA 2024 Framework v1.0 (March 2018-for consultation).docx; GHSA 2024 - Town Hall Meetings\_March 2018.pptx; Instructions for joining the GHSA 2024 Town Hall Meetings (March 2018).docx;

Dear GHSA Partners,

Thank you for your engagement thus far as we work to develop the framework for the next phase of GHSA. We hope you have had a chance to begin to look at the first draft of the GHSA 2024 Framework, which you should have received on March 8.

As noted in that email, the Steering Group will host four, one-hour virtual “Town Hall” meetings between March 20-27 to discuss GHSA 2024 development with GHSA partners. During these meetings, Steering Group members will share updates on the efforts to develop the next phase of GHSA and discuss any questions and points of interest raised by meeting participants. Steering Group members will share the same updates during each meeting. We are holding multiple meetings at different times of the day to allow participation from as many partners around the world as possible.

The meeting times\* are:

Tuesday, March 20, 0800-0900 (EDT/UTC-4)

Wednesday, March 21, 2000-2100 (EDT/UTC-4)

Thursday, March 22, 1000-1100 (EDT/UTC-4)

Monday, March 26, 2100-2200 (EDT/UTC-4)

*\*Please join each meeting 5-10 minutes early to establish your connection.*

Please use the following documents for reference:

**Instructions** for connecting to the virtual Town Hall meetings (via internet or teleconference)

The **PowerPoint presentation** that will be shared during the meetings

**GHSA 2024 Draft Framework (v1.0)** – Distributed on March 8 (input due by March 28)

We hope you will be able to join one of these meetings. If you have any questions or you would like to submit any questions ahead of time, please email [ghsapost2018@gmail.com](mailto:ghsapost2018@gmail.com).

Sincerely,

The Italian team
