

- 6) If requested by the Donor, return more than 3 months (after making a particular transfer) unutilized amount. The money should be returned within 2 weeks upon receipt by the Grantee of the request from the Donor.
- 7) Return to the Donor any unspent funds following the project completion, within 2 weeks of the completion of activities envisaged in the Agreement.
- 8) Ensure access to the financial and programme documentation of this Grant Agreement for the Donor and/or audit company hired by the Donor/its representative, during the project implementation period and for 7 years after its completion.

4.2. The Grantee is authorized to:

- 1) Change the amount of every budget line without prior agreement with the Donor, if (a) the change does not exceed 10% of the respective budget line; (b) the change corresponds to the project proposal and anticipated results; (c) the change does not increase the total budget of the project.
- 2) Request the return of money specified in the Article 4.1.6 of this Agreement, together with the request of funds needed for the next phase, in compliance with the funds request procedures envisaged in the Agreement.
- 3) Get consultations from the Donor during the project implementation period.

4.3. The Donor should:

- 1) Transfer the amounts specified in the written request, as specified in this Agreement, to the bank account(s) indicated by the Grantee on time.
- 2) Inform the Grantee on funds transfer in writing.

4.4. The Donor has the right to:

- 1) Request the return of unutilized amount from the Grantee within 3 months of making a particular transfer.
- 2) For the duration of this agreement, and from a period of 7 years following completion of the agreement, to implement monitoring activities and audit inspections.

5. RENEWAL, AMENDMENT AND TERMINATION OF THE AGREEMENT

- 5.1. After the term of this Agreement expires, parties are authorized to extend its effect as the result of signing an Annex to the Agreement.
- 5.2. Amendments can be made to this Agreement and its Annexes (except the cases specified in the Article 4.2.1) only based on the changes in programmatic directions, priorities and funding sources of the Donor or the Grantee. The amendments can be made only based on the mutual agreement of parties and by
