2. The coordinator shall send to the Commission one duly completed and signed Form A per beneficiary at the latest 45 calendar days after the entry into force of the grant agreement. The two remaining signed originals shall be kept, one by the coordinator to be made available for consultation at the request of any beneficiary, and the other by the beneficiary concerned.

3. Should any legal entity identified above, fail or refuse to accede to the grant agreement within the deadline established in the previous paragraph, the Commission is no longer bound by its offer to the said legal entity(ies). The consortium may propose to the Commission, within the time-limit to be fixed by the latter, appropriate solutions to ensure the implementation of the project. The procedure established in Annex II for amendments to this grant agreement will apply.

4. The beneficiaries are deemed to have concluded a consortium agreement (the "consortium agreement") regarding the internal organisation of the consortium.

Article 2 - Scope

The Union has decided to grant a financial contribution for the implementation of the project as specified in Annex I, called Biology and control of vector-borne infections in Europe (EDENext) (the "project") within the framework of the SP1-Cooperation and under the conditions laid down in this grant agreement.

Article 3 - Duration and start date of the project

The duration of the project shall be 48 months from 1st January 2011 (hereinafter referred to as the "start date").

Article 4 - Reporting periods and language of reports

The project is divided into reporting periods of the following duration:

- P1: from month 1 to month 12
- P2: from month 13 to month 24
- P3: from month 25 to month 36
- P4: from month 37 to the last month of the project.

Any report and deliverable, when appropriate, required by this grant agreement shall be in English.

Article 5 - Maximum financial contribution of the Union

1. The maximum financial contribution of the Union to the project shall be EUR 11,981,710.00 (eleven million nine hundred and eighty-one thousand seven hundred and ten EURO). The actual financial contribution of the Union shall be calculated in accordance with the provisions of this grant agreement.

2. Details of the financial contribution of the Union are contained in Annex I to this grant agreement which includes:

- a table of the estimated breakdown of budget and financial contribution of the Union per activity to be carried out by each of the beneficiaries under the project. Beneficiaries are allowed to transfer budget between different activities and between themselves in so far as the work is carried out as foreseen in Annex I.

3. The bank account of the coordinator to which all payments of the financial contribution of the Union shall be made is:

Name of account holder: CIRAD BIOS

Name of bank: BNP PARIBAS ETOILE-ENTREP

Account reference: FR7630004008920001044351821

Article 6 - Pre-financing

A pre-financing of EUR 4,792,684.00 (four million seven hundred and ninety-two thousand six hundred and eighty-four EURO) shall be paid to the coordinator within 45 days following the date of entry into force of this grant agreement. The coordinator shall distribute the pre-financing only to the beneficiaries who have acceded to the grant agreement and after the minimum number of beneficiaries required by the Rules for Participation as detailed in the call for proposals to which the project is related, have acceded to the grant agreement.

Beneficiaries hereby agree that the amount of EUR 599,085.50 (five hundred and ninety-nine thousand eighty-five EURO and fifty cents), corresponding to the beneficiaries' contribution to the Guarantee Fund referred to in Article II.20 and representing 5% of the maximum financial contribution of the Union referred to in Article 5.1, is transferred in their name by the Commission from the pre-financing into the Guarantee Fund. However, beneficiaries are deemed to have received the full pre-financing referred to in the first indent and will have to justify it in accordance with the grant agreement.

Article 7 - Special clauses

The following special clauses apply to this grant agreement:

Special clause 10

1. The following third parties are linked to EUROPEAN AGRO ENVIRONMENTAL HEALTH ASSOCIATES GEIE:

- AVIA-GIS BVBA
- ENVIRONMENTAL RESEARCH GROUP OXFORD LIMITED

2. This beneficiary may charge costs incurred by the above mentioned third parties in carrying out the project, in accordance with the provisions of the grant agreement. These contributions shall not be considered as receipts of the project.

The third parties shall identify the costs to the project mutatis mutandis in accordance with the provisions of part B of Annex II of the grant agreement. Each third party shall charge its eligible costs in accordance with the principles established in Articles II.14 and II.15. The beneficiary shall provide to the Commission:

- an individual financial statement from each third party in the format specified in Form C. These costs shall not be included in the beneficiary's Form C.
- certificates on the financial statements and/or on the methodology from each third party in accordance with the relevant provisions of this grant agreement.
- a summary financial report consolidating the sum of the eligible costs borne by the third parties and the beneficiary, as stated in their individual financial statements, shall be appended to the beneficiary's Form C.

When submitting reports referred to in Article II.4, the consortium shall identify work performed and resources deployed by each third party linking it to the corresponding beneficiary.

3. The eligibility of the third parties' costs charged by the beneficiary is subject to controls and audits of the third parties, in accordance with Articles II.22 and 23.

4. The beneficiary shall retain sole responsibility toward the the Union and the other beneficiaries for the third parties linked to it. The beneficiary shall ensure that the third parties abide by the provisions of the grant agreement.

Special clause 30

National Veterinary Institute, which is an integral part of beneficiary DANMARKS TEKNISKE UNIVERSITET has an analytical accounting system which allows it to identify its actual indirect costs. Therefore, and notwithstanding the provisions of article II.15.3, National Veterinary Institute may declare indirect costs in FP7 grant agreements based on its actual indirect costs, despite the fact that the beneficiary has opted for a flat rate.

Special clause 39

In addition to Article II.30.4, beneficiaries shall deposit an electronic copy of the published version or the final manuscript accepted for publication of a scientific publication relating to foreground

published before or after the final report in an institutional or subject-based repository at the moment of publication.

Beneficiaries are required to make their best efforts to ensure that this electronic copy becomes freely and electronically available to anyone through this repository:

- immediately if the scientific publication is published "open access", i.e. if an electronic version is also available free of charge via the publisher, or
- within 6 months of publication.

Other beneficiaries are deemed to have been notified if notification has been sent to the address mentioned in Article 1.1.

4. Any communication or request relating to the processing of personal data (Article II.13) shall be submitted, using the address(es) for the Commission identified in paragraphs 1 and 2, to the Controller responsible for the processing: Head of Unit of F.3.

Article 9 - Applicable law and competent court

The financial contribution of the Union is a contribution from the Union research budget with the aim to implement the 7th Research Framework Programme (FP7) and it is incumbent on the Commission to execute FP7. Accordingly, this grant agreement shall be governed by the terms of this grant agreement, the European Community and European Union acts related to FP7, the Financial Regulation applicable to the general budget and its implementing rules and other European Community and European Union law and, on a subsidiary basis, by the law of Belgium.

Furthermore the beneficiary is aware and agrees that the Commission may take a decision to impose pecuniary obligations, which shall be enforceable in accordance with Article 299 of the Treaty on the Functioning of the European Union and Articles 164 and 192 of the Treaty establishing the European Atomic Energy Community.

Notwithstanding the Commission's right to directly adopt the recovery decisions referred to in the previous paragraph, the General Court, or on appeal, the Court of Justice of the European Union, shall have sole jurisdiction to hear any dispute between the Union and any beneficiary concerning the interpretation, application or validity of this grant agreement and the validity of the decision mentioned in the second paragraph.

Article 10 - Application of the grant agreement provisions

Any provision of this part of the grant agreement, shall take precedence over the provisions of any of the Annexes. The provisions of Annex III shall take precedence over the provisions of Annex II, and both shall take precedence over the provisions of Annex I.

The special clauses set out in Article 7 shall take precedence over any other provisions of this grant agreement.

Article 11 - Entry into force of the grant agreement

This grant agreement shall enter into force after its signature by the coordinator and the Commission, on the day of the last signature.
