Division of Health Emergencies and Communicable Diseases

Dear Dr. Emiroglu,

I avail myself of this opportunity to renew to you the assurance of my highest consideration.

We highly appreciate the continuous support of WHO Regional Office for Europe in strengthening National Immunization Technical Advisory Group (NITAG) in Georgia.

I am looking forward to the visit of your team to Georgia on May 16-20, 2017 and hope that the mission's representatives will evaluate the development of NITAG and as a result the Georgian specialists will receive the advices for further improvement.

Thank you for continued collaboration.

Sincerely yours,

Deputy Minister
