**IMPORTANT!**

Check for changes to your boarding gate on the airport screens. Don't forget that passengers arriving late at the gate will not be allowed to board the flight.

General information:

- If any changes are made to your reservation, your boarding pass will not be valid.
- Please make sure the travel documents you have with you are valid and be ready to show your photo ID at the boarding gate.
- Your boarding gate may change so please keep checking the screens.
- Turkish Airlines reserves the right to change your seat for operational reasons.
- If you purchased this ticket with your credit card via the Internet, mobile app, or call center, you may have to show the credit card you made the purchase with at the boarding gate.

Baggage safety:

- There are restrictions on liquids, gels, and aerosols that can be carried in cabin baggage. For more information, please visit our cabin baggage page.

What to do at the airport**Baggage procedures**

Baggage must be checked in before the flight check-in desk closes. If you have no baggage, or just cabin baggage, you can go directly to security control.

**Security control**

You need to pass through appropriate security checks in order to reach your boarding gate.

**Boarding**

The boarding gate closes 20 minutes before flight departure. You must check for changes to your boarding gate on the airport screens.

**Take-off**

Have a good trip
