The issuance of this Travel Authorization is subject to the rules and regulations of WHO, which depending on the status of the Traveller, may affect insurance and other entitlements. Additional details may be obtained from the technical unit originating this Travel Authorization. WHO liability does not include periods of annual or compensatory leave or private deviation. The class of travel indicated on this Travel Authorization is in line with WHO Travel Policy and cannot be upgraded without approval. Ticket costs indicated are for budgeting purposes only and may not be exceeded. The Traveller is liable for any unused tickets not returned to the Travel Unit before they expire.

Medical Requirements

Staff members who are required to travel on long or short-term assignments for the Organization to areas where certain diseases are endemic or epidemic, or where there are special health hazards, should consult the staff physician as far in advance of their departure as possible about the immunizations/prophylaxis it will be necessary or advisable for them to have, and on any other precautions they should take to safeguard their health. In addition, those staff members who are aware that their functions render them especially liable to be called on at short notice to travel to any part of the world should ensure that those immunizations which are required in certain countries are never allowed to become invalid.
