Technical Commission on Medical Care and Sickness Insurance

Dear Mr Tsotskolauri,

On behalf of the Chairperson of the Technical Commission (TC) on Medical Care and Sickness Insurance, Mr Fachmi Idris, President Director of the Social Security Administering Body for the Health Sector, Indonesia, I would like to renew your mandate as Vice-Chairperson of this TC. Following the practice of the International Social Security Association (ISSA), this appointment would be for three years, until the end of the triennium 2020-2022.

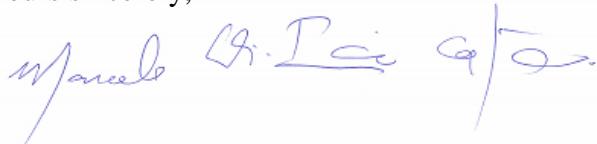

I would like to take this opportunity to inform you that the 14th Forum for Technical Commissions will take place from 10 to 11 June 2020 in Geneva, Switzerland. The Forum will bring together the Chairpersons and Vice-Chairpersons of all the TCs. Its objective will be to provide an opportunity for exchange and coordination between them and to develop the work plans of the Technical Commissions for the 2020-2022 triennium. The invitation letter and the provisional agenda of the meeting will follow in due course.

In accordance with the usual practice, the travel, hotel and daily expenses are to be met by the participants. Where appropriate, participants should contact the Swiss diplomatic representation or Consulate in their country of residence for information on the current passport and visa requirements for Switzerland.

Please do not hesitate to contact me or my colleague in charge of this TC, Ms Maya Márquez Román, acting Coordinator (marquezroman@iloguest.org, +41 22 799 7066), should you have any questions about the role of a Vice-Chairperson or the TC Forum.

I look forward to receiving your acceptance of this invitation at your earliest convenience and to welcoming you again as Vice-Chairperson of the Technical Commission on Medical Care and Sickness Insurance.

Yours sincerely,

Marcelo Abi-Ramia Caetano
 Secretary General
