**Subject:** Purchase of therapeutic food products for children with phenylketonuria

Dear Sir/madam,

I am sending you from the Ministry of Internally Displaced Persons from the Occupied Territories, Labour, Health and Social Affairs of Georgia, Legal Entity of Public Law, Social Service Agency, Head of State Procurements' Division - Besik Datukishvili.

We would like to kindly inform you that in Georgia the Social Service Agency is the largest state purchaser in the field of pharmaceutical products and medical devices and cooperates with local and foreign contrahens.

Agency implements procurement of therapeutic food products for children with phenylketonuria: Volume of goods – 1 500 000 grams Protein (the active ingredient in amino acids), for children older than three years.

It is known that Mead Johnson & Company, LLC represents one of the leaders among manufacturers of therapeutic food products and produces it under the brand name «Phenyl-free».

Taking into consideration our state and social interests, the LEPL – Social Service Agency of Georgia is interested to execute procurement of the corresponding medical product directly from the manufacturer, company - Mead Johnson & Company, LLC or through Georgian distributors.

In this respect, in case you are interested in the bargain, we are kindly asking you to provide information about the price (in USD and/or in EUR) and delivery conditions to Georgia.

If you have additional questions, write to me - I will answer with pleasure.

I would like to thank you in advance, and hope for future cooperation.

Best regards,  
Besik Datukishvili
