Ms. Mercy Tembon,
Regional Director for South Caucasus
The World Bank

Dear Ms. Tembon,

I would like to express our gratitude for the assistance that the World Bank Group has provided to Georgia so far. Also, I would like to emphasize the efficient and very productive cooperation between Georgia and World Bank and hope that it will continue with the same success in the coming years.

Further to the approval of the World Bank Group's Country Partnership Framework (CPF) for Georgia covering fiscal years (FY) 2019-2022, and in line with the Government's priorities, I would like to use the CPF envelope of around 600 million USD for investments in the following areas: Human Capital Development, Roads, Regional Development, Municipal Infrastructure, Bond Guarantee, Social, Conservation and Environment and Energy.

For FY 2019, I would like to request the delivery of the following three projects:

- Education and Human Capital Development
- Health and Social Protection Efficiency
- Energy supply reliability

I would also appreciate if our teams can commence discussions on a Development Policy Operation focusing on key economic and social reforms for delivery in FY 20.

Yours Sincerely,

Nikoloz Gagua
Deputy Minister
