

PROPHECIES CONCERNING THE OBAMA ADMINISTRATION

Obama and the Near Future

Note from David: Below are some dreams and Bible Codes about Barack Obama and his future administration. They seem to point to his future assassination. As Christians, we certainly don't agree with Barack Obama's moral stand on a few issues but certainly no one here wishes to see bad things happen to him or America. We pray for him and his family, as the Lord through Paul asked us to do in 1 Tim. 2:1,2. Also, dreams like the ones below are sometimes warnings and not necessarily prophecies. But for it to be an effective warning this thing needs to be considered a possibility. We are warned that dreams and visions come from God and men ignore them to their own destruction (Job 33:14-30). Also, dreams can come through other spirits than the Lord, including human spirits. In the New Covenant under grace, we are not commanded to judge the dreamer, prophet or revelator, but the dream, prophecy or revelation itself after we permit them to speak (1 Cor. 14:26-33). So we are letting them speak here and you may discern. If something doesn't come to pass we can ignore it and take it down, as even the law said in Dt.18:22. Anyone who judges others according to the law will be judged by it. Please read this, pray and discern.

Obama Wins the Nomination?

Anonymous. - 3/06/08

In a dream I was in a huge auditorium. I heard the speaker announce the Democratic Party's votes. First the light went on John Edwards. Then it went on Hillary Clinton, and lastly it went on Barack Obama. I heard that Barack Obama got a majority vote and even people from different parties voted for him. I then saw him come on stage. He was dressed like someone from the 17th century, with a shirt that had lots of frills on it. He also looked white rather than black. His complexion became like as a white man, though, when he took the stage his face looked somewhat proud that he could be elected to run for the Democrats. This man got overwhelming support. I also saw the numbers 7077. I wonder what that means.

Obama Inaugurated and Assassinated

Eve Brast - 7/19/08

As I watched Mr. Obama give a speech, I looked left down the street and had an open vision of his inauguration outside another government building with another crowd around him. It was still dark in this dream and in the open vision, also.

I felt and thought "tragedy" when I looked at him. The next word that came to my mind was "assassination." I thought to myself, "It is a shame he will be sacrificed and doesn't even know it."

Obama Assassinated

Rick Sargent - 7/15/08, 8/24/08

I say this with great reluctance. I was visiting my friend Mary in Indiana on 7/15/08. I was in her kitchen, at the table. I heard in my spirit, "

Obama will be assassinated." This really brought sorrow to my spirit. I thought about his wife and two children. I struggled about going public with this.

Then on 8/24/08 I was talking on the phone with a friend about that three-year-old missing girl in Florida when I saw a vision of a round tombstone and Obama's name was on it. That made me decide to share this.

Personal note: I pray that Mr. Obama's heart will be right with the Lord. I personally believe this may cause riots in the streets of America and maybe even martial law.

It's Already Decided

April Fields - 10/10/08

I had a dream the night before last that I was waiting in a line to vote. When it was my turn, they gave me a hand-held video game. When the image came up on the screen, the names of the candidates floated up like puzzle pieces and then quickly moved around like a game. By the time I figured out how to hit the puzzle piece with McCain/Palin on it, it was gone. When I complained to the attendant that I didn't get the chance to vote I was told, "Too bad, you can't do it over." When I woke up I couldn't decide if that meant I wasn't supposed to vote or that it was just a game and it didn't matter if I voted because it is already decided. (Note from David: Although there appeared to be a lot of dishonest vote-tampering going on, God has decided that a people will receive what they need or deserve, even if it's a spanking. **{Rom.13:1} Let every soul be in subjection to the higher powers: for there is no power but of God; and the [powers] that be are ordained of God.**)

Assassination of a President

Amos Scaggs - 7/08/08

The real depression will start when the/a President is assassinated. After realizing the assassination had been committed, I said, "They got him, too. Didn't they? ... When is this going to stop?"

Bible Code Links

- "B. Obama will be selected"
- "Shooting of Obama"
- "Suspicion of an Obama assassination..."
- "Obama was killed"
- "From the back, B. Obama was killed; you committed a crime."

This is a highly significant code; it is 20 letters long, in clear Hebrew and evenly spread through a large section of the Hebrew Old Testament. The software calculates the odds of this happening just by chance at **875,616,773,762,370: 1 against**.

Note from David: Bible codes also must be discerned, not because of what is shown in the matrix but because of what has not yet been found in the matrix. The code only shows what you ask the software to search for. Suppose you forget to ask for the word "delayed," as has happened. This changes the whole story. It's like filling in a jigsaw puzzle but leaving out a line of information. For example, it could be found that "So and so did this," but if they searched for and found a few more words it could be, "They falsely said, 'so and so did this.'" The results could be the opposite. However, the more codes show up saying the same thing from different people, the greater the likelihood of them being correct.

Plot to Kill Obama: Shoot from High Vantage Point

8/26/08

DENVER (CBS4/AP) - Denver's U.S. attorney is expected to speak on Tuesday afternoon about the arrests of four people suspected in a possible plot to shoot Barack Obama at his Thursday night acceptance speech in Denver. All are being held on either drug or weapons charges. [Click here](#) for full article.

Note from David: I empathize with many African-Americans who are jubilant to finally have what they feel is one of their own to be in such a position of power in this world who could represent them. However, we should judge a man by what he does and not by what he says or our own selfish ambitions. As Christians, we are forbidden to judge those who are without the kingdom, as 1 Corinthians 5:12,13 commands. I hope that if

he is assassinated that many won't take the law into their own hands and cause a civil war.

God Will Decide Concerning Obama

There are many who would have reason to do Barack Obama in:

- Neocons who don't want to give up power and don't want to be prosecuted for war crimes, as has been intimidated by him.
- Patriots who don't want to see him take the country away from the Constitution of morality. (Totalitarianism will be easy now with the foundation laid by Clinton and Bush with their executive orders.)
- Communists who know that this would cause a civil war and destroy our economy.
- Neo-Nazis, racists, skinheads, the KKK hate his color and socialist ways, as we have seen.
- Radical Islamic factions who kill their own anyway and know all Islam would rise up in anger against the U.S.
- Militant anti-abortion radicals who know that Obama will continue to do everything he can to murder babies, even after they escape the abortionist alive.
- The elitists who put him in office who feel he has outlived his usefulness.
- And the list goes on and on...

As Christians who believe the Word and submit to Jesus' command to love our enemies and overcome evil with good, we cannot condone any of this and it is all sadness to us. But we also bow to the sovereignty of God who said, ***Rom.13:1...there is no power but of God; and the [powers] that be are ordained of God. Dan.4:17... the Most High ruleth in the kingdom of men, and giveth it to whomsoever he will, and setteth up over it the lowest of men. Ps.75:7 But God is the judge: He putteth down one, and lifteth up another.*** This means that whether Obama stays in or is taken out, God has spoken, even through vessels of dishonor like assassins.

However, if you Christians think God has called you to fight Obama and this government, you desperately need to read [The Sword or the Cross?](#) and listen to [Honor the king? \(1\)](#), [Honor the king? \(2\)](#) and [Honor the king? \(3\)](#). Many Christians are victims of neglecting their Bibles and their consciences.

God has used the choice of many to give Obama as leader of America and the world, and He may use the choice of vessels of dishonor to take him out as a judgment, too. ***Hos.13:11 I have given thee a king in mine anger, and have taken him away in my wrath.*** Time will tell but the good side is that God will use tribulation to wake up the chosen in a great end-time revival. Obama Conquers Babylon and Iran, Then Dies?

David Eells

Will Barak Obama, just as Alexander the Great did, conquer the great eagle of Babylon, as a type of the U.S., and then conquer Persia (Iran), then die, bringing in the tribulation persecution of the saints?

Robert I. Holmes said the following:

*In 1999, as I prepared to travel to the US on ministry, the Lord gave me a very unusual prophetic word. He said that, **"In the days of Babylon, when her walls stood wide and her leaders stood tall, her defenses were strong and her campaigns victorious, Alexander the Great came and defeated her. In the same way, my Alexander will stand in the very midst of the United States of America."***

I believe that God's "Alexander" is Barak Obama. He has now stood in the middle of America, and declared his victory speech in Grant Park in Chicago. There, he prophetically declared, "Change has come to America," "The American Empire is coming to an end."

Instead of Desert Storm, which was over desert, we may soon see the Perfect Storm over water. Obama may very well be the one who retaliates against Iran for the next 9/11 strike on America, whether they are guilty or not. I believe they will be successful, at least initially. It was that way with Iraq, too. Amos' revelation seems to confirm this.

Amos Scaggs heard on 3/09/06: "We are going to invade Iran on three fronts with an overwhelming force and be victorious." Also, on 3/07/06, he heard: "We broke their code -- The enemy."

According to Jeremiah 25, there are only two times the U.S. could conquer Iran. **{Jer.25:9} behold, I will send and take all the families of the north, saith Jehovah, and [I will send] unto Nebuchadrezzar the king of Babylon, my servant, and will bring them against this land, and against the inhabitants thereof, and against all these nations round about (Middle East); and I will utterly destroy them, and make them an astonishment, and a hissing, and perpetual desolations.**

{25:12} And it shall come to pass, when seventy years are accomplished, that I will punish the king of Babylon, and that nation, saith Jehovah, for their iniquity, and the land of the Chaldeans; and I will make it desolate for ever. The Lord showed me that this 70 years that the U.S. will be trampling the Middle East will be the same as the 7 years in the book of Revelation that the harlot will ride the beast and then

be destroyed by it at the end. The list of nations that are conquered during this time are in Jeremiah 25:17-26 and the last verse is when Babylon, as a type of the U.S., falls. The last on the list before Babylon is Elam or Iran along with the Medes and the kings of the north. This is the only time in the list Iran is conquered... Unless she is conquered before this 7 year tribulation list of wars. This is what I believe will happen, since the last war seems to be mixed with the kings of the north, which is probably Russia and company, and since this is the time Babylon fell, too. Also, I do not believe Obama will live to the end of the tribulation.

So, I think that the U.S. will strike Iran before the tribulation and help cause the tribulation covenant, as we will see below.

In Daniel's vision, he was in Elam (Iran) and saw the Medo-Persian (Iran and allies) Ram pushing westward, as they are now. ***{Dan.8:2} And I saw in the vision; now it was so, that when I saw, I was in Shushan the palace, which is in the province of Elam (Persia/Iran); and I saw in the vision, and I was by the river Ulai. {3} Then I lifted up mine eyes, and saw, and, behold, there stood before the river a ram which had two horns (Medo-Persians): and the two horns were high; but one was higher than the other, and the higher came up last. {4} I saw the ram pushing westward (Iraq, Hamas in Israel, Hezbollah in Lebanon), and northward (North Iraqi Kurds), and southward (in the Persian Gulf); and no beasts could stand before him (so far), neither was there any that could deliver out of his hand; but he did according to his will, and magnified himself.***

Then, Daniel saw a he-goat fly over the face of the whole earth without touching the ground, which describes America's attack by air and sea on Iran better than Alexander the Great's attack on them. ***{5} And as I was considering, behold, a he-goat (originally Alexander the Great's Grecian Empire - Second fulfillment - Barak Obama's U.S. Empire) came from the west over the face of the whole earth, and touched not the ground; and the goat had a notable horn between his eyes. {6} And he came to the ram that had the two horns, which I saw standing before the river, and ran upon him in the fury of his power. {7} And I saw him come close unto the ram, and he was moved with anger against him, and smote the ram, and brake his two horns; and there was no power in the ram to stand before him; but he cast him down to the ground, and trampled upon him; and there was none that could deliver the ram out of his hand. {8} And the he-goat magnified himself exceedingly: and when he was strong, the great horn was broken. (Obama will likely be assassinated.)***

Prophetically, the next thing Daniel describes is the saints in tribulation in the time of Antiochus Epiphanes (8:9-14), a type of the beast. I have believed this attack on Iran would bring the tribulation.

{Dan.8:9} And out of one of them came forth a little horn, which waxed exceeding great, toward the south, and toward the east, and toward the glorious [land]. {10} And it waxed great, even to the host of heaven; and some of the host and of the

stars it cast down to the ground, and trampled upon them. (The beast will cause a great falling away through the mark of the beast.) **{11} Yea, it magnified itself, even to the prince of the host** (The High Priest, Jesus); **and it took away from him the continual [burnt-offering], and the place of his sanctuary was cast down.** **{12} And the host was given over [to it] together with the continual [burnt-offering] through transgression; and it cast down truth to the ground, and it did [its pleasure] and prospered.** This describes the great persecution against Christians who have a continual burnt offering through offering up their beastly bodies as a living sacrifice in the fiery trials. The mark will bring an end of this sacrifice for many “Christians” and they will be cast down as the sanctuary of God and the seed of Abraham, the stars of heaven.

President Obama Saved

Chad Rial - 11/14/10

(David's notes in red)

I had a dream last night that Obama was floating on a raft with Navy Seal swimmers underneath. He was looking a little unkempt. I spoke to him and he was reading a Sovereign God book and was telling me that he was really getting a lot of good things from it. :)

Chad said to me: I'm thinking of what happened to Nebuchadnezzar; perhaps history will just repeat for the king of Babylon? He was definitely in survival mode. I felt to pray for him when I woke up and that he was going to get saved ... we will see!

I replied: That would be awesome, Chad. We also have a lot of dreams that he would be killed. (Perhaps this is spiritual death-to-self by character assassination. :o) Let's pray the Lord gives us more on this. Perhaps we should send him a Sovereign God book and tell him to read chapter two first. :o) He is in a tight spot. If he doesn't obey the bankers there is a history of presidents dying at their hands. Floating above the waters of the beast with the killers below sounds like he is getting saved??? I guess if he got saved they would surely try to shoot him. (When Paul was saved, the powers that be tried to kill him.) We better pray for him.

Chad answered: I was just thinking that exact thought 20 minutes ago. Meaning, send him a **Sovereign God** book. :)

So I prayed and felt really good that we should send President Obama a Sovereign God book with a note from Chad and myself and we prayed that he would get it: “Father, we pray for President Obama, that you would have grace and mercy upon him and draw him unto Yourself in the saving knowledge of the true Gospel of Jesus Christ.”

NOTE: Garrett knew nothing of this revelation when he got a confirmation below, for we told no one about it.

X Appears, Obama Fired/Saved, Year 2 Trib

Garrett Crawford

Dream 1

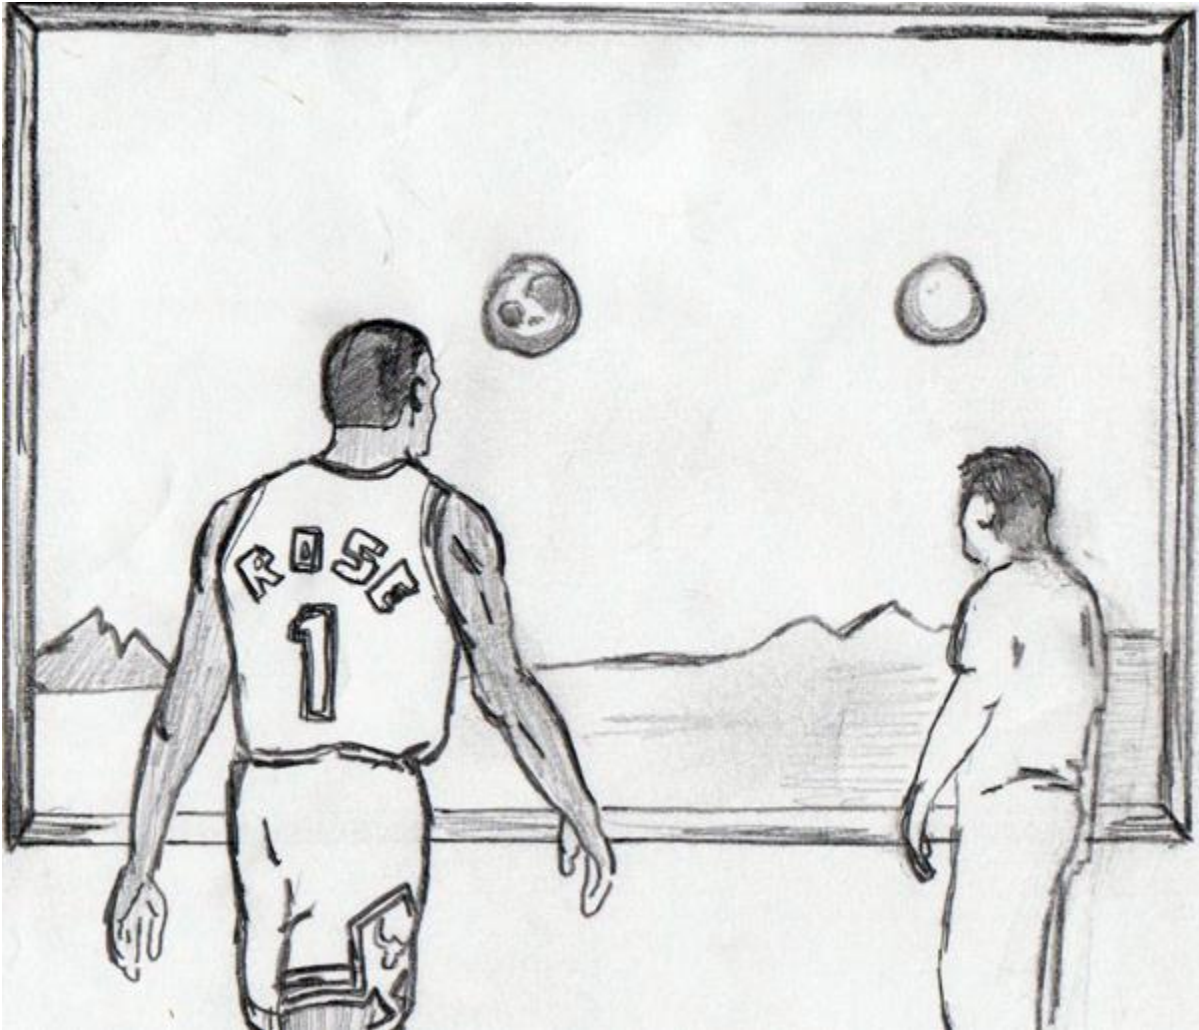

12/01/10

(Garrett and David's notes in red)

I found myself in a dream, standing in a basement where I was watching the Chicago Bulls having practice. I saw them going through drills and practicing hard. The star point guard, Derek Rose, was being insubordinate to the head coach during these drills-- he was not obeying orders. (Derek is the star point guard; he controls the ball and the offense runs through him. President Obama too is the point man for the NWO; he is the star of the show but he will be disobedient to the real boss. Derek Rose was born and raised in the city of Chicago; after college he was drafted by his hometown Chicago Bulls. Obama's hometown is Chicago and much of his professional and political life was spent in that city. The Obamas have all been seen dressed in black and red, as at their inauguration; this was in my mind when seeing the Lord use the black and red colors Derek was dressed in. They are both black men. Derek means, "Famous ruler, or ruler of the people." With his last name being Rose, we clearly see the key to who this person represents -- a famous red ruler or a famous Communist ruler.)

In real life, the coach of the Bulls is a fairly tall, middle-aged man, but I noticed that the coach was a very small and wrinkly old man. (The elderly Bilderbergers/Illuminati/Banksters that put presidents in and take them out through their national news media.) The coach fired Derek Rose on the spot and the team left the room, leaving Derek alone. (Derek only played one year at the University of Memphis. As a freshman, he led them to the national title game; after the fact, he was declared ineligible because he cheated on his SATs. The whole season was forfeited and the accomplishments of that team were wiped away from the record books. This was a pretty big scandal. There is much evidence that points to President Obama not being a naturally-born citizen of this country, thus making him ineligible to hold office and he

would forfeit much of his team's accomplishments.)

I watched as Derek, dressed in his red and black Bulls uniform, humbly walked over to a window and just silently gazed out into space. It seemed he was contemplating a lot of things. I walked over to the window where Derek Rose was standing -- I on the right and he on the left -- and I looked out the window with him. Something very strange was going on in the sky; it had a red hue to it, but it was nighttime. I noticed the moon in its normal spot off to left of the sky, but when I looked back over to the right, there set another moon! (Planet X, Nibiru, the brown dwarf.) This startled me. I had to really make sure I was seeing what I was seeing. I stared back and forth between the two objects and came to the conclusion I was not imagining anything. I was seeing two celestial objects in the sky!

That is when I ran out of the room Derek and I were in. I called as many people as I could walking in the hallway outside to witness this strange sight. Everyone saw the same thing I did and they were all amazed. It wasn't too long before I came to the conclusion that this was Planet X. As soon as I was fully convinced in my heart this was real, the boldness of the Lord rose up inside me and without knowing what I was saying, I spoke to Derek and the others I had called upon and said, "You now only have five

years left to get right with God." (Joseph's brothers had finally recognized him as their brother who had been promoted as head of the kingdom. He said to them: **{Gen.45:6} For these two years hath the famine been in the land: and there are yet five years, in which there shall be neither plowing nor harvest.** This represented the end of the second year of tribulation with five more years to go when there is famine and starvation and poison everywhere. Planet X will be casting asteroids and comets to the earth in the first trumpet judgments of Revelation 8:6-11. President Obama may not be supported by the powers that be for another term or they may just decide to take him out, as dreams and Bible codes point to -- or both.)

After seeing this heavenly object so close to Earth, I wondered how we had never seen this before now. In the dream, I started to look through magazines, books and Internet sources to find recent pictures or news footage of the same area that I had seen where the two moons appeared, wondering how I or anyone else could have missed such a thing. In every single picture or video, someone had conveniently placed buildings or obstructions right in front of the area where the second moon was in the sky. I was convinced in every instance the forces that be deliberately Photoshopped or video-edited the obstructions in so the moon could not be seen. (We have seen photos altered to block what many thought was the brown dwarf, which can only be seen with an infrared telescope.)

(I can honestly say I did not at all connect this dream below to the first one above, until the Lord spoke to me during worship Friday that they were connected.)

Dream 2 12/10/10

I had a dream that the world was going through major changes. (Like the seal and trumpet judgments and the dragon government of Revelation 12.) It seemed like a huge transitional time in world history; it seemed very surreal. I saw President Barack Obama lose power and the world's attention was placed upon another. It seemed a man from a European country became very prominent, as Obama's favor waned. (The beast government will change leadership going through the tribulation, proving that the one man ruler theory is wrong.) This man was really wicked, much more wicked than Obama. He was a white man with slick black hair. It was made very clear to me that through a series of God-ordained events in Obama's life, he had been severely humbled and broken. I believe losing power and being abandoned by the ones who ushered him to the heights of world power added to this. I saw very clearly this was Godly sorrow and a real repentance had taken place. (Praise to the Lord! :o)

Not long after these things were revealed, I ran into David Eells on the street. There was only one thing on his mind; he was very vocal about sharing what the Lord had laid upon his heart. David wanted to talk about Barack Obama and how we all in the Christian community needed to receive him as a brother and not hold anything against him anymore. David shared with me how Barack had been granted repentance from the Lord and how he was a changed man. Later in the dream, toward the end, I was with

my grandma and she was on her death bed; she called me to her side. There was only one thing on her mind and that was how troubled she was for speaking evil against Barack Obama; she was very regretful and beside herself for judging him while he was lost. She too had been shown by the Lord that Barack was now following God.

(Grandma represents the old-order church which has railed at President Obama. Listen to Honor the King.)

Note: I was in service tonight (8/26/11) and I was meditating on the dream during worship. I had the thought that Obama's repentance reminds me of what God did with Nebuchadnezzar. I asked the Lord for a word to confirm or deny if Barack would be granted repentance, so I opened my Bible and fixed my eyes on the first verse I saw: ***(Isa.55:7) Let the wicked forsake his way, and the unrighteous man his thoughts; and let him return unto the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon.***

Update

Garrett Crawford - 5/03/11

As of May 3, 2011 President Barack Obama was riding a wave of accolades and praise from both sides of the aisle for the reported "death" of Osama Bin Laden. I have not seen this much worship of Obama since the days immediately after the 2008 presidential election. It is no coincidence that his prophetic symbol in the dream I was shown above has also reached the pinnacle of his short professional career by capturing the NBA Most Valuable Player award and, at 22, he is the youngest ever to do so.

On May 3rd, Derrick Rose was named the NBA MVP after statistically dominating the league all year long. I have watched basketball for years and have rarely seen a player be able to physically do the things he has done on the basketball court, especially against the type of superior competition he faces night after night.

I knew the Lord made this happen to confirm the parable he was speaking to us in the dream -- that Obama and Rose are living parallel lives at this point in their respective careers. Although, Obama has reached the highs of his career, the Lord has prophesied that around the appearing of Planet X, all of Obama's accomplishments will have been forgotten and as, Donald Trump would say, "Your Fired." That's not an endorsement of Trump. :o)

Judgement poured out/Peace

Brothers and sisters,

The vision I had last night has grieved me. I did not want to share this with others. But I will be a messenger for God.

Blessings,
Kim

October 20, 2008

I was praying and asking the Lord if Obama was evil. I saw the heart of Obama. A heart full of goodness and with love.

I prayed about America and saw these things:

I saw the United states map. It looked like a hard cookie. I saw it broken in half. The sound was like a cookie being broken in two. It was ripped hard and loud and completely torn. I asked an Angel if it was real and I saw it again. I thought 'this means a divided country'.

I saw the united states map and pouring down onto the center of it was a red liquid. I sense something about a drowning in this red liquid. It is not blood.

I saw the United States and all the state borders were thicker and blacker and bolder.

I prayed and saw many large rocks falling. They were dry rocks about the size of beach balls but ragged and dusty. It seems as though it were once a larger rock and it had broken apart into these pieces.

My husband just called me to watch something political on TV. On TV there was talk of there being a crack in the dam of America. The pro and anti American talk. The nation is more divided than ever. It is coming to a head.

I prayed in English and in tongues. I cry out to God to help me. I share my doubt and fear with Him. I see an image of a roaring lion as I pray this.

I pray for those who err that are God's people. I pray for my own shortcomings. I pray for those who are campaigning. I see many things breaking, falling and breaking. I hear the crash. I see a room full of items like lamps and furniture falling in on itself. The room caves in on itself. I see the republican party and I see chaos, brokenness, fragmentation, all loss of order, despair, crumbling. It looks like an earthquake has occurred. Everything is dire. Nothing is in order. Nothing works. It has ceased to be.

I ask the Lord, 'what does this mean for America?' I see the very light blue color. It seems it is

on the wing of a bird. What does this color represent? The color of a new nation. I ask, 'An evil nation rising?' I see people from all classes and of different races. I sense a calming. I sense a joy. I ask, 'Lord are good things coming soon? I thought your judgement was coming upon America?' I feel this peace and serenity though. I see this bird that has blue wings. It represents a purity and a wholesomeness. I hear silence. Unusual silence amid the blue. It is so peaceful and nice. And I am praying for more information for the Lord but I am wrapped up in this feeling of peace and quiet and calm. 'Lord, is there anything else you want to show me at this time?' I only sense an unrest from the East. It seems as though a large black gun is pointed at us and I sense anger and dislike. But I do not see it being fired. end

April 12, 2010

I shared some things with my mother that the Lord has been showing me. One of the things that caught my attention and puzzled me greatly was this from October, 2008:

I ask the Lord, 'what does this mean for America?' I see the very light blue color (UN). It seems it is on the wing of a bird. What does this color represent? The color of a new nation. I ask, 'An evil nation rising?' I see people from all classes and of different races. I sense a calming. I sense a joy. I ask, 'Lord are good things coming soon? I thought your judgement was coming upon America?' I feel this peace and serenity though. I see this bird that has blue wings. It represents a purity and a wholesomeness. I hear silence. Unusual silence amid the blue. It is so peaceful and nice. And I am praying for more information for the Lord but I am wrapped up in this feeling of peace and quiet and calm. 'Lord, is there anything else you want to show me at this time?' I only sense an unrest from the East.

I prayed about this feeling of peace because, for the life of me, I cannot compute the blue color being something peaceful. So, I prayed about this:

I came before the Lord and prayed, 'Lord, I feel you showed me that Obama would be a president in a time of great sadness yet he doesn't seem sad. This seems strange to me.' The Lord spoke to me, 'It is a time of great sorrow. Look at my people. Look at America. Look at the anger in their eyes, the hardness on their faces, their fists raised in the air. Look at the words that they are speaking to one another. It makes me feel very, very sad.' I can see what the Lord means about sorrow when he shows me this.

'But, Lord, I saw Obama being very somber when I prayed before. And he isn't.' The Lord only said, 'It is early, yet.'

I see a man standing in front of God's throne as I pray. He is not an angel. He is a man. As strange as this sounds, it seems like it is John, the apostle. This is very odd to me. I'm not sure what I think of it. He is standing and he speaks to me. I notice in this man's hand is a clear, glass container with a lid on it. John removes the lid and inside I see strong words of judgement, cruel words that are being spoken in the earth going into the container. I see John put the lid on the container and close it.

I hear the Lord say, 'All of the words of judgement are being collected and saved.' Then I saw John take the lid off and turn the container upside down and all the judgements fell to the earth.

I heard the Lord say, 'I will give their words of judgement back to them for it is written, 'If you judge, you will be judged. You will be judged by the same standard you use to judge others.' (Matt.7:1&2).

I see the container poured out. The words are dark, vicious and powerful. I see that what comes out of this container fall down upon those who have spoken them and they are like insects that bite and the pain they bring to those who spoke them is great. I see the judgements poured back down on these people being powerful and strong. The people lay in anguish and pain, their eyes wide open and they weep and scream.

I pray about the blue color and the peace that seems so serene in the vision I had in 2008. As I'm praying the Lord says, 'It is about the work that Obama is doing in regard to getting rid of nuclear weapons. It is about what is happening now.' I ask the Lord, 'Will there be peace?' And he says, 'There will be peace for a moment.' I then see John again with a container. The Lord says, 'I am answering the prayers of my people regarding this for they have prayed for many, many years for peace.' I see what looks like prayers going into the container. They are from the people of earth. Then I see John pour them out of the container back out onto the earth. As he pours it out, I see what looks like a gas or a cloud that is very small come out and go up into the air. I look and see this again. This time when I see it again I notice a light, clear liquid like soft rain falls out onto the earth. But it only falls for a very short time. This is all so strange to me.

The Lord tells me, 'Kim, you are right in what you have sensed about the words people are speaking in this nation regarding many things. They make judgements, speak lies and spread them around. The very words they speak are saved. I hear and keep every word. They will be poured out back upon the people who say them. What they say of Obama: that he is a foreigner, that he is a communist, a socialist, that he is antichrist, that he is so evil will be given back to them in a leader who IS all these things and they will embrace this leader. I will bring the judgement back on them for it is written: 'If you judge, you will be judged. You will be judged by the same standard you use to judge others.' (Matt.7:1&2)

'Kim, it is true that there will come a time when people will say that they wish for the days when Obama was our president because the leader coming after him will be so very, very evil. They don't know what is going to happen! They don't know how evil the days are going to get!'

This bothers me a lot. I do not like the words I hear. It is frightening. I think to myself, 'How can I bring this word to so many people who dislike Obama so much?' I don't know that I can. I am not sure what to do. The Lord knows and I pray he shows me.

'Lord, what is going to happen after Obama has worked with many other nations toward getting rid of nuclear weapons?' The Lord says to me, 'The road is being made ready.' I see what looks

like people making a smooth and new road. Many people are working on this.

'Is it the path being made fully ready for the dark leader of many nations to come down?' The Lord says sadly, 'Kim, you know that it is.'

I just feel sad, frustrated and irritated. I do have a better understanding but there are things I don't understand.

But I must shake off my attitude and be grateful that the Lord has answered me concerning these things. end

I sense danger. I have felt afraid for a little while now. I thought I saw something in my van outside earlier. I keep thinking about the dream where people are trying to shoot me with guns because of what I said about Obama. I am praying about this. I heard a voice say, 'There is an enemy lurking.' The voice is kind of like a whisper. I pray and hear nothing else. But I see a demonic force. It has the face of a man but it has many legs like a spider. It moves like a crab, though. It scuttles sideways. It reminds me of the creature I saw with many arms in nations in the earth. It looks smaller though. Its power doesn't seem as strong. I test the voice I heard. I hear it say, 'The enemy is close.' It was an angel telling me. I will pray more on this.

Chicago Riots Prophecy

"My brother, Noah Packard, says that he heard the Prophet Joseph Smith say that the next great (U.S. civil) war after the war of the rebellion (the Civil War of the 1860's between the North and the South) would commence in a little town now called Chicago but at that time it would have grown to be a very large city. And another brother told me that the Prophet said that the cause of the next great trouble of the United States would be the depreciation of the currency of the United States. I believe I have given you all the facts in as short and concise manner as possible." (A. Milton Musser papers, LDS Church Archives, letter from Nephi Packard to A. Milton Musser, July 24, 1896.)

I just discovered the above prophecy. It confirms what I have seen in vision, and previously reported on this site as well. I saw:

1. Dollars blowing in the street and ignored like worthless trash.
2. Obama assassinated in the same manner that they killed Kennedy.
3. Race riots in Chicago fomented by agent provocateurs after the assassination.
4. Food shortages so severe that men would battle to the death for a chewed up stick of gum on the pavement.
5. Militarized street gangs, with military grade weaponry, accelerating the work of death.
6. Firestorms raising what is left of the city to the ground.

7. Plagues, Famine and the Sword.

Those that live in the city, or suburbs, which are vast, will all ultimately be effected. Although the rioting will begin in the city core. With the rapidly accelerating descent of the dollar, welfare checks, social security checks, SSI payments etc., will soon be worthless. This, coupled with the fact that commodity prices will skyrocket, will cause the social breakdown.

Those that live in the Chicago area would be best served by having an exit strategy for leaving the city when the first signs of chaos appear. Those unable to leave, will need to form neighborhood defense groups to defend against the roving gangs. The city proper has a population of about 3 million people and is the third most populated city in the United States. I recommend the following for those that remain:

1. Water purifiers. Also, store bottled water.
 2. Store food. Up to 12 months if possible. Dry food, with minimal water content.
 3. Shotgun for home defense. Buy birdshot, not buckshot, with a wide pattern. A 12 gauge that can hold several rounds. If you can afford it, a 17 HMR for neighborhood protection (with a scope). The 17HMR is a 22 magnum. Buy hollowpoints for ammo. Bolt action is fine and easy to clean. I also like the 9 mm for in home protection, after you buy a shotgun.
 4. Warm sleeping bags, firewood and plenty of waterproof matches. Candles are also important. Good boots (combat from army surplus or hiking), along with a back-pack. Flashlight with its own hand-crank generator.
 5. Convert all surplus dollars into gold and silver bullion. This will be the currency of the realm, since it is the only real money in this world of ours.
 6. Form a Mutual Defense League with neighbors and friends. You have a Constitutional Right to defend your property and lives from attack. Never go on the offensive. Formulate a plan to secure your neighborhood. Never surrender your weapons. Hide them instead.
 7. Be spiritually prepared. If you are afraid, you are not spiritually prepared. Fast (go without food/water), pray and read your Holy Books until you find peace with your God. Get rid of evil influences that generate fear or lust. Cleanse your mind. Forgive others and ask that you might be forgiven as well. Keep the 10 Commandments. Do not lust after the blood or lives of others.
 8. Expect miracles and pray for them. God has preserved my life from great enemies and He will do the same for you, if you ask for it. Pray to be invisible from your enemies.
- I do no harm to others and expect to receive no harm in return. Yet, I maintain the right to protect myself and my family as my highest privilege. You have the same rights as I do. Please exercise those rights, while there is still time.

A Prophetic Word Regarding Barack Obama

*The Word of the Lord given through His servant
Scott Hofstee
October 25, 2008/Tishrei 26, 5769*

On January 3, 2008 I was looking for something to watch on television. As I was surfing the channels I decided on catching some news. As I tuned in the news, the results of the Iowa caucus were being announced. I preceded to hear the results of the Democratic caucus and began listening to the winner give a speech to people. As this man spoke, the Spirit of the Lord began to show me and tell me that He had chosen this man and that His hand was on him.

I wasn't sure to what extent that meant but the Lord began to put a burden for this man over the next few weeks and months as he battled against Hillary Clinton for the nomination of his party and then as he battled his opponent John McCain and the lies that have been spread about him. He also began to show me the reasons He had chosen this man, Barack Hussein Obama.

On November 5, 2004, the Lord has spoke to me through a word He gave me that America had elected its last president and that the president they had chosen was a "Saul". I began to inquire of the Lord what that meant in the light of His choosing of this man Barack Obama. The Lord told me this man was a "David" and that He had chosen him because he has in him the heart of shepherd. His heart was for the poorest and the weakest of His people. The Spirit of the Lord showed me that this man has the heart of a shepherd, that he is willing to be spent for His sheep as well as a heart that is willing to hear and be taught.

He also had chosen him because he represented a fatherless generation of people and because he represented what it meant to be of this world. He was neither black nor white, he was both. He represented everyone in this nation. His politics at this time were not important to the Lord, His heart to do what was right at the moment of truth will be the key.

The Lord also showed me John McCain. I saw a man whose heart was first and foremost toward himself and his legacy. A man constantly pointing to the works of his hands and a man who did not have any intimate knowledge of the Lord. He had merely a religious mask posing as one who was spiritual. The Lord showed me that his name said everything about him. McCain means "son of Cain"

I have heard and seen numerous supposedly religious or spiritual people say the Lord had told them that John McCain was supposed to win and that Barack Obama was either a Muslim or the "antichrist" and attempt to attach the Lord's name to their ramblings and vain imaginations and fears. These people have neither heard from the Lord nor do they represent Him.

The Lord has chosen Barack Hussein Obama in this hour and He has rejected John McCain and the party that He represents. The Lord has begun to unleash His judgments on this nation and it will take a man who will put his confidence in the Lord to survive what is directly ahead.

Hear the Word of the Lord to the next President of the United States of America

So says the Lord to the one named "Blessed of God". I have chosen you and I have appointed you for this hour. It is I Yahweh who has gone before you and made the way straight. It is I who has put before you an open door. Now I ask you, Will you pass through? Will you enter in? Will you seek to hear My voice and do My will?

For what is coming is greater than the learned minds that you have surrounded yourself with, will be able to comprehend. It is darker than any man made light can penetrate. I AM calling you to humble yourself before Me. For only in that humility will you survive what is at the doors of this nation.

The financial shaking is just beginning, soon you will see greater tragedies than any generation before you and they will not be just in other places. I have foretold these things through My servants the prophets and My counsel is always in the mouths of My true servants. You must recognize them when I send them, for only in knowing My will, will people survive in the days ahead.

Now I speak to those who have withstood My words and presumed to speak for Me regarding My servant. I shall put you in derision. For you have allowed your prejudices to skew your vision. You have allowed your "politics" to get in the way of My words. You have spoken lies regarding him because your hearts held onto fears rooted in prejudice. The truth is this, it is I, the Lord who has chosen this one called "Blessed of God" and it is I who has rejected the lies of those who love themselves more than they love Me. So says the Spirit of the Lord through His servant this day. Amen and Amen.

I Saw the Coming American Revolution

By Evangelist Bobby Martz of New Covenant Church in Hampton, Virginia, a missionary to the Philippines for 14 years.

I was with Pastor Ray Brooks of The Open Way Church and Michael Sullivan. We were laying hands on each other, praying for each other. My mind was concerned with imparting strength to my brothers. All of a sudden I had a vision. It was so real, it was as if I was there. I saw a vision of a city in America. Many of the buildings were on fire. There was looting and rioting. There was a breakdown of law and order--no respect for law and order, thousands of people on the streets--burning, killing, looting. Sirens were blaring, ambulances carrying away the dead and wounded.

I saw bystanders. They were pulling their hair. The Lord let me hear their thoughts. They were thinking, I cannot believe this is America! I cannot believe it has happened to us. The people were petrified with fear and confusion, not knowing what to do. There was so much fear, thinking, Where can we go to be safe? I saw these bat-looking creatures flying all around, coming out of these dark clouds. I believe these are demons attacking people. Isaiah 1 came to mind. I saw an eagle coming out of heaven, attacking these bat-looking creatures. I saw the whole earth. The sun was rising on the whole earth. I thought about the scripture about the Son rising with healing in his wings.

When I came out of this vision, I was interceding and weeping for this country. I believe these things will come on America.

Vision of Leaders

I saw another vision of leaders, those leading the church. I saw a person on the floor in deep agony. They were howling. They sounded like a fire siren. They were wailing and howling of their own condition and the condition of the church.

The Lord let me see what this person was thinking. I saw one word over this person. The word was "COMPROMISE." This leader was thinking, as he was howling, How have I allowed these things to come into the church? How have I allowed these things to come into my own personal life? Wherein have I been so deceived as to have allowed all this to happen that breaks the heart of God?

I feel trapped, this person thought. This person had this big question. How can we (the church) be delivered? How can I be delivered from the compromise? It was as if the person was feeling the dilemma of the church. How can the church come out of this dilemma of compromise? The person was in terrible agony and howling, lying on the floor.

I feel that from the pulpit to the pew in the church there has been much compromise within the church. I personally believe the day is coming when there will be a real wave of the Holy Spirit and an outpouring of the Holy Spirit of conviction, especially in leaders. They will end up on the floor howling before God.

Victory in Jesus!

In early 1984 I saw a church building. I saw the altar. People were at the front kneeling and praying. It looked like there was around 100 people praying. There was a group of them that stood out of anger and rebellion and said, "We don't have to pray like this! This is too demanding. This is too legalistic. We don't have to get into this type of praying."

These people that were speaking against praying were found in the church kitchen, in the social area where they have social functions like potluck dinners. The Christians that were against praying were saying, "It's all right to pray a little, but we don't need to pray like that."

(I want to make this clear. I am not against fellowship of God's people. It should not get in the way of serving God. When there is so much pleasure that it gets in the way of prayer, it is wrong.)

These people in the social hall said among themselves. "This is what we want." What they were saying is, "We just want to have a good time." Where the church becomes a social club, doing social activities, things that would appeal to "self" and bring pleasure

to one's own self, it is very selfish. They were doing this in rebellion against God's call to prayer. They were speaking out and saying, "This is what we really want."

The next thing I saw was what looked like black arrows being released by black demonic spirits. These black demons come upon these people in their social function-- within the church. These black demons started attacking these people. These people started grabbing their heads as these demons attacked. They started going crazy. They could not handle the demonic pressures and forces of these demonic powers in the last days! I had the sense that there would be those that would say they were Christians, born again, yet would be committed to mental institutions. They would go in for psychiatric care because they could not cope with what was coming upon the earth.

Then the dream changed. The Lord took me back to those that continued in prayer. They were weeping. They were weeping for the whole earth, for all the nations. They were broken and weeping. I saw tremendous unity, tremendous love one for another. They understood one another. They understood one another's call. They understood one another's burden. There was real unity. There was no jealousy. They were not being competitive with one another. They were so focused with their burden for the world. Their focus was not on who am I or what is my position; their focus was a burden for the world.

The dream changed. I could see the continents, the coastlines, the borders. I saw a giant tidal wave slowly moving over the earth. Every nation was being touched by this wave. I asked God, "What is this wave?"

God spoke to my heart and said, "This is my Holy Spirit moving in these last days."

The tidal wave was moving slowly but surely, a gradual buildup going over the earth.

The dream changed. The Lord brought me back to the people that had been weeping before the Lord for the nations. I saw these people stand on their feet. They turned around. They were facing the world in terrible, terrible conditions. The darkness that was upon the earth was horrible, indescribable. It was terrifying; but these people that had been interceding and weeping, the amazing thing was, they were not afraid. They were not afraid of what they were looking at. They were not afraid of the terrible gross darkness. They were full of the Holy Spirit. They began to go forward as one, united. They began to speak the Word of God. The gospel was coming out of their mouths. They were speaking to the multitudes in darkness before them. I saw the Holy Spirit bringing multitudes and multitudes of people into the Kingdom of God in the last days. There were so many people coming to Jesus that I could not see the end. It was a huge, huge multitude of people coming into the Kingdom of God.

The dream ended.

America's Christians Lose Their Freedom

Amos Scaggs - 11/16/10

In a vision, I saw the British soldiers with the [tricorne hats](#) and drab, abstract, black uniforms in an endless line coming against a militia of ordinary citizens, as we had during the Revolutionary war.

The militia was in whitish trousers and tan shirts of that period. The table was light-colored with dark legs.

They had several hard-fought battles. But in the face of an incoming force they could not defeat because of the sheer numbers, they pulled the plans off the table and rolled them up like a scroll to retreat with the few in number they had left. Those last few escaped without harm as the bullets were flying all around them.

I thought, in the first Revolutionary war we won our freedom from tyrants but in this last struggle we lose it to them.

It appears from this that the battle for America's independence (freedom) will be lost. There will be some hard battles and hard fighting but in the end the militias will have to retreat. They will be simply outgunned and outnumbered.

Note from David: [Many Christians will fight](#) to gain their freedom from an America taken over by banksters and corporate fascism but they will fail because they are disobedient to the commands of God in this regard.

In the time of the tribulations in history, when God sent the man-child to lead the people to freedom, they had become subjugate to the beast kingdoms that swallowed them up for their sins. America is being possessed by the beast nature from the pit for this purpose.

In the time of Moses and that tribulation, the people of God had become slaves in Egypt. Only in Goshen was there light in the houses and deliverance from the plagues.

In the time of Joseph and that tribulation, the people were at the mercy of the state, begging for food losing their property.

In the time of Daniel, the people were conquered in tribulation and under the authority of ruthless dictators who took their lives at will.

In the time of Mordecai, the people in tribulation were under the sentence of death by the beast and fighting for their lives.

In the time of Jesus, the people were under the iron fist of the Roman beast tribulation, with no representation or rights of their own. Jesus told them to flee to the mountains --

above the world and its influence.

History always repeats (Ecclesiastes 1:9; 3:15). In this time of the end-time man-child, in whom Jesus lives, a combination of all of the above will happen in tribulation.

Christians have been just as rebellious as their predecessors and are in just as much need of crucifixion of self -- in just as much need of new leadership and old truths. Instead they have insulated themselves only in their minds with lies of dominion, prosperity, flying away, etc.)

Civil War Is Coming

Mary Dooley - 1/07/09
(David's notes in red)

I had a dream in the first week of January. I believe it was the 7th.

I was standing at a crossroads that was close to the beach, in that I could clearly see the open sky over the ocean in front of me. (I had asked God to tell me if I had any fruit before I went to sleep and had the dream and, at the crossroads where I was standing, I was next to a fruit stand. If I had to quantify the amount, I'd say it was 60% my height. I am going for the 100-fold.) To my right I could see that there was a battle in the air, as I could see the smoke from the jets. To my left, two planes that were unlike any I have ever seen (and I have seen quite a few since 1988, living on or near military bases) and they were speeding at low level toward the battle. I knew in the dream that they were Turkish. They were totally black. (Turkey fell out with Israel over the Gaza war and are pushing the Obama administration to the left, if that's possible, concerning their support for Israel. They have also threatened Israel, if they move against the puppets of the Iranians. Obama will align with his history and not Israel. The first nation to fall to the new Babylon one world order was Israel [Jer.25:17,18,29], which is also a type for Christianity.)

Next, from the left again, something was coming in the air. It was something big and black, with black smoke coming out from it in all directions. As it got closer, I could see something orange on the nose of it. Then I realized it was a black airship or blimp, (notice both sides are in darkness) and the orange thing on the nose was a jack-o-lantern (Halloween, Oct. 31st, Babylon's "All Saints Day," when the Celts say the living are closest to the dead and the forces of darkness are at work), with the eyes, nose and mouth orange because the inside of the airship was on fire. As the airship passed in front of me, I saw that it was slowing down and being totally consumed internally, as the orange flames were destroying it quickly. It stopped in front of me and fell into the ocean. (There is a battle going on for the "air waves" before the physical battle. The left

is floating ideas to, in effect, bring the Fairness Doctrine back under another form to shoot down the conservatives' command of the "air waves," which is about as weak as a blimp compared to what is coming. On a more natural level to follow this, blimps cannot compete with jets. They are clumsy, slow, lack power and are relics of the past for warfare. This spiritually describes the badly outmatched right-wing conservative Babylonish Christian movement that is rising up to "take the nation back" from the left wing that is in control of the military. This will be a dismal failure. Another 9/11 is coming, this time from the Left, and the blame will be put on the Right in part because so much proof is coming forward of the Bush administration's part in the first 9/11 that they will be blamed for this, too, by the Obama administration and the left-wing media. The country is about to swing very far Left.)

I felt like I should run to higher ground because the airship was so big, and I was so close that it might cause a big wave to hit me (this will bring great persecution to the Christians), so I ran upstairs into one of the nearby, rather short buildings behind me. (Christians will no doubt need to get to the High and Holy Ground of Scriptural foundation to escape this coming disaster from the division of America. The scriptures declare that militant Christians will lose this battle badly. Listen to [U.S. Covenant & Civil War](#).) Now I knew I was on a Navy base, as I went up about one or two stories and an enlisted man in uniform was leaning back in his chair, with his hands behind his head, rather unconcerned. He was at the back end of what looked to be a small movie theatre, with the screen to my left. No one was in the room but the enlisted man who, from where he was sitting, would probably be the person running the projector. I told him what had happened and he said, "Yes, my father was on that airship"; I was surprised at how unmoved he was. (A younger left-wing generation that has rebelled against the conservative morals and constitutional respect of the forefathers will show no mercy or pity on them in the coming civil war. An antichrist spirit is sweeping the world, much like anti-Semitism during the Nazi era. A great backlash against the Christians will come from this. The Left will have complete control over the media, typed by the movie projector, to bring a worldwide persecution of Christianity. Read [Sovereign God](#) for rest and peace.)

Next, I was outside at the crossroads again. Now I could see that there was a convoy, almost like a parade, coming home from the direction of the air battle. I got the impression they were victorious, as they did not even appear tired or dirty, more like inspection-ready. They were sitting in tiers, like bleachers, that were on top of some vehicle bringing them back to the base. They were in camouflage uniform, wearing dark glasses and holding flags. (These are hiding from the truth willfully; hiding from the Son, behind patriotism.) The flags were full size and easy to see, as each person had a flag, and held it stretched out in front of him. The flags were stiff, like posters, and they were held on each end. (The flags were stiff, cheap fakes of what the real flag that was blown by the wind stood for.) Now I could see that the flags were distinctly Confederate, and the convoy was taking the curve in the road to their left. There were only two choices at this intersection, curve sharply to the left, or sharply to the right. I did not see anyone going to the right. (The conservative/religious right will lose badly. The rebels against our forefathers' morality will win. The country will turn sharply to the left where the goats go

in Jesus' parable. Like the Confederate rebels, their interest is to cast off any moral or constitutional restraint and keep black men, as a type of those who walk in darkness, or sinners, in bondage.) End of dream.

On the 11th of January I was at work. A Christian patient was about to leave, when suddenly she remembered that her teenage daughter had a dream that night. She said an angel took her into the air, where there was a tremendous air battle going on, and it was so loud and disturbing that she covered her ears, and then the angel brought her back to her bed. She then woke her mom up to tell her and was crying because it was so disturbing, and she is only 16. I told her mom about my dream.

About three days after this, I called my very good friend, Ellen. I told her that I had had a dream that I wanted to tell her. She stopped me and said she just had one, and so she told me her dream first. She said that she was caught in the middle of a war that was about to start. She said she was trying to find cover behind a house, and that the battle was about to begin, and she was trying to help a little girl find cover, too. I asked her what kind of battle -- as in modern, or something from the past. She said, "It's a revolutionary...no, it's a civil war."

I believe this Civil War will escalate from the war of words over the "air" waves to physical weapons some time soon. [Here](#) is an example of the rhetoric coming from the conservatives who say guns will be needed if they fail to return the country to conservative principles. [Here](#) is an obvious indication that conservatives in the military and police will refuse to obey orders and fight. Has it [already started in the military](#)?

If you as a Christian think God has called you to fight this government, you desperately need to read [The Sword or the Cross?](#) and listen to [Honor the king? \(1\)](#), [Honor the king? \(2\)](#) and [Honor the king? \(3\)](#). Many Christians are victims of neglecting their Bibles and their consciences. Remember, if a man's ways please the Lord, He makes his enemies to be at peace with him.

American Civil War Coming

Marilyn Klinke - 7/28/09

In the dream, a Godly sister in Christ and I were at some train tracks, watching young men board the trains. The young men were dressed in American Civil War uniforms and going off to war. The sister and I implored them not to go, telling them that this war

would not be good and that brother would end up fighting brother. No one would heed our tearful pleas; they just kept boarding the trains. I noticed that, in addition to each soldier carrying a rifle, they also had a small pack or tray of seedling vegetables, like you plant in your garden in the spring. I understood the part of the dream about civil war coming, but was puzzled over the seedling vegetable plants. I felt that somehow the plants represented in some way the disruption of food or crops because of the civil war, but after praying I also thought that they might indicate that the war would start in the spring. Perhaps this dream has some relevance to the events we see coming to pass now.

Civil War in U.S.

Kenneth R. Atnip, Sr. - 12/18/10

My 16-year-old daughter, Maryann, had a dream a few days ago. She dreamed of civil war against the current government. The scene was very chaotic and those in rebellion to the government were going house to house forcing any and all men to join with them. Many of us Christians were in hiding, not willing to join in a rebellion against the government.

She awoke in the middle of the night with a strong taste of blood in her mouth. Her 13-year-old sister, Aimee, woke up as well and immediately asked her what was wrong. The 16-year-old said that she had the taste of blood in her mouth to which the 13-year-old asked, "Were you dreaming of war?" Somehow she knew that she was dreaming of war.

Last November my three-year-old son, Jeremiah, slept with Mom and Dad. He awoke at 5:30 AM yelling, "War is coming ... people are dying ... people are crying to God." He has no idea what these things are. It woke me out of a dead sleep and I sat up and looked at him. He was wide awake and started telling of hearing a noise: "pop, pop, pop," he kept repeating. All day he kept talking about big balloons coming and looking out the window. He said, "Maybe they won't come; maybe they will pop."

DON'T FIGHT WITH THE GOVERNMENT

The Sword or the Cross?

David Eells

Please be very patient with me and I will share something that just may save your physical and eternal life. If you are not willing to believe only what the scriptures say concerning your

relationship to this evil world and its God-ordained plan in your life, don't waste your time reading this.

(Excerpt from [Hidden Manna For the End Times](#))

When Peter used the sword to keep Jesus from going to the cross, He said, ***“All they that take the sword shall perish with the sword.”*** Even though the true saints will not agree with much that is about to happen in this world, they will not take ***“the sword”*** of man and break their covenant with God as the apostates and their leadership will. God's plan for His people is demonstrated by Jesus. ***(Jn.12:23) And Jesus answereth them, saying, The hour is come, that the Son of man should be glorified. (24) Verily, verily, I say unto you, Except a grain of wheat fall into the earth and die, it abideth by itself alone; but if it die, it beareth much fruit. (25) He that loveth his life loseth it; and he that hateth his life in this world shall keep it unto life eternal. (26) If any man serve me, let him follow me; and where I am, there shall also my servant be: if any man serve me, him will the Father honor.*** As Jesus was a seed sown in the dirt of this earth, so must we be. The wicked of this world are the dirt that puts to death the fleshly husk of the seed so that the inner life may come forth and bear fruit. As a lamb does not struggle with a wolf, the seed does not struggle with the dirt but permits it to fulfill its purpose. ***(Lk.10:3)...I send you forth as lambs in the midst of wolves.*** In God's plan wolves devour the flesh of the lambs. He uses the wicked to chasten His children. ***(2Sam.7:14) I will be his father, and he shall be my son: if he commit iniquity, I will chasten him with the rod of men, and with the stripes of the children of men.***

(2Cor.4:11) For we who live are always delivered unto death for Jesus' sake, that the life also of Jesus may be manifested in our mortal flesh. (16) Wherefore we faint not; but though our outward man is decaying, yet our inward man is renewed day by day. (17) For our light affliction, which is for the moment, worketh for us more and more exceedingly an eternal weight of glory. The glory of God will be manifested in those who will ***“resist not him that is evil”*** but will ***“turn the other cheek”*** and permit the dirt to do its job. No one else can drive the nails, friend. You are unable to do it and other Christians shouldn't do it. It is God's plan to use the harlot and the beast to crucify our old man. ***(Acts 2:23) [H]im (Jesus), being delivered up by the determinate counsel and foreknowledge of God, ye by the hand of lawless men did crucify and slay. (4:27) [F]or of a truth in this city against thy holy Servant Jesus, whom thou didst anoint, both Herod and Pontius Pilate, with the Gentiles and the peoples of Israel, were gathered together, (28) to do whatsoever thy hand and thy council foreordained to come to pass.*** Through death to self at their hands, the world will see Jesus in us and we will be enabled to fulfill the great commission. ***(1Pet.4:1) Forasmuch then as Christ suffered in the flesh, arm ye yourselves also with the same mind; for he that hath suffered in the flesh hath ceased from sin; (2) that ye no longer should live the rest of your time in flesh to the lusts of men, but to the will of God.***

In the days when God's people were ruled over by the Roman beast it was written: **(Rom.13:1) Let every soul be in subjection to the higher powers: for there is no power but of God; and the [powers] that be are ordained of God. (2) Therefore he that resisteth the power, withstandeth the ordinance of God: and they that withstand shall receive to themselves judgment.** Though Christians are forbidden to take the mark and image of the beast, they are also forbidden to take up arms against secular nations over them. This puts the people of God in a position of weakness like Jesus when He submitted to His cross instead of fighting.

(Note: Some falsely say that the U.S. is not typed in Scriptures. In Revelation, we see that Babylon is the Queen of the world, an end-time world superpower, a very rich nation that trades with the whole world. Both Revelation and Daniel say it is the head of all the nations and was called the "great eagle" in Ezekiel 17. Jeremiah 25 shows that it will bring destruction to the Middle East and then fall in what appears to be a nuclear attack from the nations. Revelation 18 says this will be in one hour of one day. Who, with common sense, would not see that this ancient eagle that was conquered by the bear is not a type of the U.S.?)

Using Babylon and her king as a type of the U.S. and her President, God warned his people to submit to her as far as secular matters go. **(Jer.27:5) I have made the earth, the men and the beasts that are upon the face of the earth, by my great power and by my outstretched arm; and I give it unto whom it seemeth right unto me. (6) And now have I given all these lands into the hand of Nebuchadnezzar the king of Babylon, my servant.... (7) And all the nations shall serve him.... (8) And it shall come to pass, that the nation and the kingdom which will not serve the same Nebuchadnezzar king of Babylon, and that will not put their neck under the yoke of the king of Babylon, that nation will I punish, saith the Lord, with the sword, and with the famine, and with the pestilence, until I have consumed them by his hand. (9) But as for you (Christians), hearken ye not to your prophets, nor to your diviners, nor to your dreams, nor to your soothsayers, nor to your sorcerers, that speak unto you, saying, Ye shall not serve the king of Babylon: (10) for they prophesy a lie unto you, to remove you far from your land, and that I should drive you out, and ye should perish.... (12) And I spake to Zedekiah king of Judah according to all these words, saying, Bring your necks under the yoke of the king of Babylon, and serve him and his people, and live. (13) Why will ye die, thou and thy people, by the sword, by the famine, and by the pestilence, as the Lord hath spoken concerning the nation that will not serve the king of Babylon? (14) And hearken not unto the words of the prophets that speak unto you, saying, Ye shall not serve the king of Babylon; for they prophesy a lie unto you. (15) For I have not sent them, saith the Lord, but they prophesy falsely in my name; that I may drive you out, and that ye may perish, ye, and the prophets that prophesy unto you.** Fear this warning and do not listen to false prophets who come as patriots to stir up Christians to rebel against this country. Those who do, God will destroy by the hand of this government. In this way God will cleanse His body of those that refuse to obey and go to their cross. Here is a portion of a vision and prophecy through Chuck Youngbrandt:

Those who are rebellious against God will rebel against the government, including the communist's fifth columnists we have here. Military troops will have to be called out as a result. Some will repent but many will continue in rebellion. God said 90% of the rebellious and disobedient church people will die during this time.

Jesus said, ***"Love your enemies,"*** not shoot them, and ***"turn the other cheek,"*** not make war on them. That's what those concentration camps are for, friends. They are expecting and waiting for Christians to ***"take the sword."*** Our Lord said, ***"All they that take the sword shall perish with the sword."*** I am certainly not excusing the government's actions in any of this but if David Koresh had not broken God's covenant and stored up that arsenal with the intent to use it against the government, he and his followers would still be alive. Bear witness that God did not defend them.

God will bring the U.S. against His people and their apostate leaders because they have ignored His covenant. ***(Hos.8:1) [Set] the trumpet to thy mouth. As an eagle [he cometh] against the house of the Lord, because they have transgressed my covenant, and trespassed against my law. (2) They shall cry unto me, My God, we Israel know thee. (3) Israel hath cast off that which is good: the enemy shall pursue him. (4) They have set up kings, but not by me; they have made princes, and I knew it not: of their silver and their gold have they made them idols, that they may be cut off.*** In the days of Jesus we see this same type in these days. The apostate people of God were in bondage to the Roman beast for their rebellion against the Word. These stiff-necked people of God were in constant revolution against the Romans and paying a great penalty for it. ***(Mk.15:6) Now at the feast he used to release unto them one prisoner, whom they asked of him. (7) And there was one called Barabbas, [lying] bound with them that had made insurrection(revolution), men who in the insurrection had committed murder. (8) And the multitude went up and began to ask him [to do] as he was wont to do unto them. (9) And Pilate answered them, saying, Will ye that I release unto you the King of the Jews? (10) For he perceived that for envy the chief priests had delivered him up. (11) But the chief priests stirred up the multitude, that he should rather release Barabbas unto them. (Jn.18:40) They cried out therefore again, saying, Not this man, but Barabbas. Now Barabbas was a robber.*** Notice that Barabbas and many with him were in prison for making a revolution against the Romans. Jesus suffered in the place of this Jewish patriot. In like manner the true body of Christ will suffer innocently because of "Christian" patriots who will revolt against the U.S./U.N. beast. In another type, Barabbas was chosen out of all the Jews that were in prison with him to be released. Barabbas means "son of the father." Because Jesus went to the cross, a remnant of these people who truly are "sons of the Father" will be forgiven and saved. Militant patriots do not understand what the Holy Spirit showed in this text, that killing Romans or Americans is ***"murder"*** and that those who steal from them are ***"robbers."***

Remember, God did not defend almost 1000 very religious patriots whom the Romans destroyed. In 66 A.D. when the Jews rebelled against the Romans, they captured this mountain 1000 meters above the Judean wilderness. In a well-supplied, seemingly impregnable fortress, the Jews attempted for seven years to hold out against the

Roman beast. In a clear type, all but a remnant of seven committed suicide and brought an end to the worldly state of Israel. “Christian” rebels in our day will, in effect, commit suicide by fighting against the beast and bring an end to the worldly state of the Church. The Timothy McVeigh’s of this world are not patriots in God’s kingdom. The real heroes are those who leave worldly governments up to God and choose their cross over rebelling against His Word.

Like Jesus, Paul gives us a type of how innocent Christians in our day will be falsely accused as rebels and imprisoned or killed. In Acts 21:38, a chief captain said to him, ***“Art thou not then the Egyptian, who before these days stirred up to sedition and led out into the wilderness the four thousand men of the Assassins?”*** Notice once again that an Egyptian, representing the old carnal man, was leading Jews to kill Romans. The “Christians” who are led of the old man today will fight against the U.S./U.N. beast. God will not tolerate those who call themselves patriots in order to rebel against this government and His Word. ***(Rom.13:1) Let every soul be in subjection to the higher powers: for there is no power but of God.... (2) Therefore he that resisteth the power, withstandeth the ordinance of God: and they that withstand shall receive to themselves judgment.*** Jesus gave us permission to ***“flee”*** like sheep before the wolves, but not to fight in the flesh as wolves. ***(Mt.10:16) Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves.*** ***(23) But when they persecute you in this city, flee into the next: for verily I say unto you, Ye shall not have gone through the cities of Israel, till the Son of man be come.*** Notice that this persecution will spread the Word through the cities of God’s people and He will come. Praise His Name!

While the carnal people of God were having their revolution against the government, Jesus and the disciples were having a spiritual revolution against them. Jesus said, ***“Think not that I came to send peace on the earth: I came not to send peace, but a sword (the Word). For I came to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law: and a man’s foes [shall be] they of his own household” (Mt.10:34-36).*** Tertullus, speaking against Paul’s revolution, said, ***“For we have found this man a pestilent fellow, and a mover of insurrections (revolutions) among all the Jews throughout the world, and a ringleader of the sect of the Nazarenes” (Acts 24:5).*** Jesus and Paul’s revolution was to use the Word to separate the chosen from the carnal church. Neither of them had anything to do with wrestling with a flesh and blood beast system. That was the harlot’s revolution. We are to be patriots of the Lord’s kingdom, not the U.S. Like Jesus, ***“My kingdom is not of this world.”***

Because they would not obey Jesus, the Jews were led by their deceiving leadership to their own destruction and that of their city in 70 A.D. This was also the cause of its destruction in other times. ***(Ezra 4:19) And I decreed, and search hath been made, and it is found that this city of old time hath made insurrection against kings, and that rebellion and sedition have been made therein. (5:12) But after that our fathers had provoked the God of heaven unto wrath, he gave them into the hand of Nebuchadnezzar king of Babylon, the Chaldean, who destroyed this house.***

and carried the people away into Babylon. Every beast kingdom was raised up by God to chasten and bring into bondage and crucifixion His rebellious people and so it will be with the Babylon of our day. Our warfare is not with flesh and blood men but with the demon principalities and powers that rule them (Eph.6:12). **(Mt.5:38) Ye have heard that it was said, An eye for an eye, and a tooth for a tooth: (39) but I say unto you, Resist not him that is evil: but whosoever smiteth thee on thy right cheek, turn to him the other also. (Jas.4:7)...resist the devil, and he will flee from you.**

Many will fight to keep from going into captivity but only God determines if one needs this for their maturing. **(Rev.13:9) If any man hath an ear, let him hear. (10) If any man [is] for captivity, into captivity he goeth: if any man shall kill with the sword, with the sword must he be killed. Here is the patience and the faith of the saints.** Only God gives authority to the beast to bring His people into bondage or death. M. Cox relates a dream he had concerning these principles.

I had a dream so real that every time I think about it, it becomes more vivid just as if I was there. I was sleeping in our small farm house with a few other people one night. Sometime in the dead of the night all of a sudden I heard the thunderous boom of these military helicopters and airplanes. Then this helicopter landed right beside our house. All the occupants of our house were rounded up and taken away by the helicopter, probably to prison work farms. I was just standing there amazed, thinking these people never resisted, or tried to run away. And they all acted like I wasn't there. I thought that they had forgotten me. Soon after they left, another helicopter came. They were probably told that they had forgotten one of the occupants. I was naturally scared so I hid under the bed, shaking like a leaf with my legs sticking out. The soldiers didn't have any U.N. symbol but were probably a makeshift multi-national army. A black and a white soldier had yellow torches and M-16 machine guns with them. They were looking and thrashing everywhere trying to look for me. The black soldier was looking under the bed I was under. The funny thing was I was right in front of him with my feet sticking out but it appeared he couldn't see me. Suddenly, it dawned on me that I was invisible to the soldiers. They couldn't see me. After awhile, the soldiers left frustrated at not being able to find me. I must say that the fear and terror of the situation was unbelievable. A few days later this helicopter came and sprayed this chemical and the surrounding place turned all brown. They probably had been given orders to let no survivors that they couldn't find live. Anyway, even before they sprayed I noticed that the surrounding vegetation looked brownish, maybe from nuclear fallout. Miraculously, with all this happening I was still alive and the dream ended there.

Notice that God's people did not resist and only those who needed captivity were taken. We should not put it beyond God's ability to supernaturally hide those who do not need more crucifixion. If He could translate me halfway around the world, He can certainly make us invisible to the enemy. Bob Aicardi also had a dream like this.

I found myself cautiously walking the floors of a very large government building, which was occupied by foreign troops, and I knew that as an American I was not supposed to

be there. I was noticed by a worker, who set off an intruder alert. Down the corridor the entrance doors slammed shut and locked. As I walked up to the doors they opened and I passed through to escape. Once outside, perimeter guards were alerted and were all about. I walked through them as invisible and saw another man doing the same thing. I said to him, "Isn't the blood of Jesus wonderful?"

We see that not only can God protect those who are mature but He can also give rest to those who need to submit to their cross. **(Jn.19:11) Jesus answered him, Thou wouldest have no power against me, except it were given thee from above.** Like our Lord, we are to receive everything as from God and leave retaliation up to Him. **(Rom.12:17) Render to no man evil for evil. Take thought for things honorable in the sight of all men. (18) If it be possible, as much as in you lieth, be at peace with all men. (19) Avenge not yourselves, beloved, but give place unto the wrath [of God]: for it is written, Vengeance belongeth unto me; I will recompense, saith the Lord. (20) But if thine enemy hunger, feed him; if he thirst, give him to drink: for in so doing thou shalt heap coals of fire upon his head. (21) Be not overcome of evil, but overcome evil with good.** Our old man wants to live by defending self and retaliating, but our obedience to these commands crucifies that carnal nature in us.

Satan seeks through well-meaning people to keep us from this cross. **(Mt.16:21) From that time began Jesus to show unto his disciples, that he must go unto Jerusalem, and suffer many things of the elders and chief priests and scribes, and be killed, and the third day be raised up. (22) And Peter took him, and began to rebuke him, saying, Be it far from thee, Lord: this shall never be unto thee. (23) But he turned, and said unto Peter, Get thee behind me, Satan: thou art a stumbling-block unto me: for thou mindest not the things of God, but the things of men.** Notice that Peter, by the spirit of Satan was a stumbling block by trying to dissuade Jesus from going to His cross. Peter later took the sword, to try to enforce his way and again met with rebuke. **(24) Then said Jesus unto his disciples, If any man would come after me, let him deny himself, and take up his cross, and follow me. (25) For whosoever would save his life shall lose it: and whosoever shall lose his life for my sake shall find it.** Even when we are at our best, the hidden carnal nature must be crucified. **(1Pet.2:20) For what glory is it, if, when ye sin, and are buffeted [for it], ye shall take it patiently? but if, when ye do well, and suffer [for it], ye shall take it patiently, this is acceptable with God. (21) For hereunto were ye called: because Christ also suffered for you, leaving you an example, that ye should follow his steps: (22) who did no sin, neither was guile found in his mouth: (23) who, when he was reviled, reviled not again; when he suffered, threatened not; but committed [himself] to him that judgeth righteously.** What could be clearer? We are to follow in Jesus' steps by cooperating with God's process of using the harlot religious system and the beast kingdom to bring us to the cross.

We are not to resist them by force. The laws of our kingdom do not permit us to fight in the flesh to escape captivity. **(Jn.18:36) Jesus answered, My kingdom is not of this world: if my kingdom were of this world, then would my servants fight, that I should not be delivered to the Jews: but now is my kingdom not from hence.** In

the days leading up to a civil war in the midst of the One World Order, many will stand up against the U.S. as the king of the South. Included among these are some of God's people who will try to impose their vision of the kingdom of God in the U.S. by violent methods, but they will be killed. ***(Dan.11:14) And in those times there shall many stand up against the king of the south: also the children of the violent among thy people shall lift themselves up to establish the vision; but they shall fall.*** God will not permit fleshly methods to have any success so that His people learn to walk in the Spirit. ***(12:7)...[I]t shall be for a time, times, and a half; and when they have made an end of breaking in pieces the power of*** (self in) ***the holy people, all these things shall be finished.*** Notice that our temptation to use our own power must be crucified. ***(Zech.4:6)...Not by (our) might, nor by (our) power, but by my Spirit, saith Lord of hosts.*** War is of the world and is motivated by lust, not God. ***(Jas.4:1) Whence [come] wars and whence [come] fightings among you? [come they] not hence, [even] of your pleasures that war in your members? (2) Ye lust, and have not: ye kill, and covet, and cannot obtain: ye fight and war; ye have not, because ye ask not.*** Those who join with the world to make war on their enemies are enemies of the cross and of God. ***(4) Ye adulteresses, know ye not that the friendship of the world is enmity with God? Whosoever therefore would be a friend of the world maketh himself an enemy of God.***

Those who preach peace and safety, and refuse to cooperate with God in this process of falling to the earth to die will be cut off. ***(Amos 9:8) Behold, the eyes of the Lord are upon the sinful kingdom, and I will destroy it from off the face of the earth; save that I will not utterly destroy the house of Jacob, saith the Lord. (9) For, lo, I will command, and I will sift the house of Israel among all the nations, like as [grain] is sifted in a sieve, yet shall not the least kernel fall upon the earth. (10) All the sinners of my people shall die by the sword, who say, The evil shall not overtake nor meet us.*** We are coming to the same tribulation days of sifting as it was with Peter. ***(Lk.22:31) Simon, Simon, behold, Satan asked to have you, that he might sift you as wheat: (32) but I made supplication for thee, that thy faith fail not.*** Even though Peter initially denied the Lord, he got back up and became a strong leader who gave his old life. Satan is ordained of the Lord to sift the disciples to get the husk that is his, so that God may have the pure fruit of Christ. Here is a prophecy through Thomas S. Gibson that relates the persecution the U.S. will bring against Christianity to separate the true saints from the tares.

Thus says the Lord, repent and listen to the Word of God. Note that there shall be persecutions arising in all places, throughout the U.S. and Canada, and through Europe. These nations shall rise up in persecutions against My people. It shall purge the Church. Those of Mine, that are truly Mine, who walk in power and are committed to Me, they shall stand in this persecution no matter what it brings. But listen to Me, and heed Me. For thus saith the Lord, I am God, and I am allowing this, for it shall purge My Church. For there are many that shall quickly deny Me, shall quickly deny the truth, quickly revert to a world religion, shall quickly deny the power of the Word; they deny the truth of the Word. They shall quickly deny many things, and they shall become politically correct for the day and the age that they live. For they do not want to be in

persecutions and they do not want to stand against the world. They love the world, and they are part of the world, and they were never part of Me. But they have a form of Godliness in the Church, and they were in the Church, shining as Christians and looking as Christians in outward appearance, but in their heart they were not of Me. This shall purge the Church and bring to pass what I have said; I will separate the sheep from the goats; that is, My people from the world.

God is sovereign in the happenings of history in order to show us what will happen in the latter days, for, ***“That which hath been is that which shall be.”*** In the time of the tribulation of Christ’s day, Rome had swallowed up the people of God. Through Babylon’s type we see that the U.S. will swallow up the people of God before her fall.

(Jer.51:34) Nebuchadrezzar the king of Babylon hath devoured me, he hath crushed me, he hath made me an empty vessel, he hath, like a monster, swallowed me up, he hath filled his maw with my delicacies; he hath cast me out.

(35)The violence done to me and to my flesh be upon Babylon, shall the inhabitant of Zion say; and, My blood be upon the inhabitants of Chaldea, shall Jerusalem say. Because the U.S. will try to save herself by sacrificing God’s lambs on the altar of religious unity and political correctness, God will take vengeance on her.

(36) Therefore thus saith the Lord: Behold, I will plead thy cause, and take vengeance for thee; and I will dry up her sea, and make her fountain dry. (37) And Babylon shall become heaps, a dwelling-place for jackals, an astonishment, and a hissing, without inhabitant. ... (41) How is Sheshach taken! and the praise of the whole earth seized! how is Babylon become a desolation among the nations! (42) The sea (of men) is come up upon Babylon; she is covered with the multitude of the waves thereof. (43) Her cities are become a desolation.

THE MILITANT APOSTATES REBEL

(excerpt from [Hidden Manna For the End Times](#))

God is raising up this beast kingdom to crucify us as their forefathers crucified our Master. At the same time, the beast will purge Christianity of those who refuse to go to their cross of death to self. At first you may think I am wrong about this but if you will bear with me you will be overwhelmed with proof from God’s Word. Christians constantly send me e-mails about the conspiracies of the government and the leaders. Most of this is “he said that she said” stuff with no real proof. Unsubstantiated accusations are just gossip and forbidden by God’s Word. According to Law no one can be accused without two or three witnesses. Witnesses see and

know personally. We shouldn't accept accusations against a government or person without witnesses, earthly or heavenly. The devil is being permitted by God to stir up conspiracy theories so that paranoid, disobedient Christians will fight this government and be destroyed. The Lord said to me, *"Spirits of paranoia will stir up Christians to fight against this country. In this way I will cleanse my Church of those that refuse to obey and go to their cross."*

Conspiracy theorists are the prime spreaders of this paranoia. ***(Isa.8:11) For the Lord spake thus to me with a strong hand, and instructed me not to walk in the way of this people, saying, (12) Say ye not, A conspiracy, concerning all whereof this people shall say, A conspiracy; neither fear ye their fear, nor be in dread [thereof]. (13) The Lord of hosts, him shall ye sanctify; and let him be your fear, and let him be your dread.***

You ask, "But David, what about the Illuminati conspiracy that has taken over our government to bring war and the New World Order?" Fear ***"him who worketh all things after the counsel of His will" (Eph.1:11)***. The Illuminati are nothing without God's permission. They and many others like them are sent by God to deceive those who do not love truth and to judge those who need it. Therefore, we are to permit them to cleanse the body. ***(2Thes.2:9) [even he,] whose coming is according to the working of Satan with all power and signs and lying wonders, (10) and with all deceit of unrighteousness for them that perish; because they received not the love of the truth, that they might be saved. (11) And for this cause God sendeth them a working of error, that they should believe a lie:***

(12) that they all might be judged who believed not the truth, but had pleasure in unrighteousness. "[T]he lowest of men" are raised up to lead the beast to crucify rebellious Christians. We need them. ***(Pr.16:4) The Lord hath made everything for its own end*** (Hebrew: His own purpose); ***Yea, even the wicked for the day of evil.***

Some say, "But I know some of these conspiracies are real." I do, too, but the flesh is stirred up to fight when we think on the conspiracies, rather than the promises and the way of the cross. We are taught to study Truth rather than the evil in conspiracies because Truth has power unto Godliness, which delivers from evil. ***(Rom.16:19)....I would have you wise unto that which is good, and simple unto that which is evil.*** Those who are taught to recognize counterfeit bills don't study counterfeits because there are too many possibilities. They study the real bills. That way they can recognize all counterfeits. The Word gives us eyes to see all errors. Some waste all their time studying evil governments.

All secular governments are evil just as the one in Jesus' day but He stuck to the business of the Father, taught the Word, and let patriots like Barabbas fight with flesh and blood to their own destruction. I also know that this government will persecute and crucify the saints when the time comes. I say with Jesus, ***"Not my will, but thine be done"***. If we are not willing to give up our carnal life in order to be obedient to the Word, then we will not be counted worthy of a heavenly life. Any who stir up God's people to take the sword will be guilty of their blood when they die by the sword, as the Word says will surely happen. Antichristian militant "Christians" will not stand for their rights being taken away and will fight against their governments. What do you think they will do when world law is imposed and the mark of the beast is inevitable? Civil war. States are seeing their Constitutional authority undermined by the socialistic moves of the Obama administration. Also, a litany of leftist, global U.N. treaties that were resisted by more conservative administrations are waiting in the wings to give sovereignty to the U.N. beast over families, women, children, opposing free trade, opposing democracy and Christian freedom, bringing intrusive emissions laws, etc. Obama is just the man to open the flood gates. Seeing these coming threats, conservatives in the states are flocking to introduce resolutions declaring State sovereignty as per the Ninth and Tenth Amendment to the Constitution. This is an omen of coming division in the country. Conservatives, including many of God's people, have already considered armed rebellion against the U.S. government at least as far back as 2000. The Bush/Gore presidential voting fraud fiasco revealed the underlying dangerous polarization between conservatives and liberals. Radio talk shows were abuzz. Ammunition sales rose significantly as did talk of civil insurrection and state secession. Much of this was by conservatives. Congressmen were openly warning of civil violence. Ammunition and gun sales began to get worse when the Obama team immediately took the country in a sharp left turn.

Clearly, the fear of where we are going and the conspiracy theories are corrupting people's minds and taking away their peace. Whether you agree with their militant thinking or not, all Christians will be blamed for these excesses. The liberal news media will gladly continue to sway popular opinion against their historic enemy, the conservative Christians. Left wing "Christianity" will, of course, join in this attack proclaiming to be the true heirs of Christ, while they sleep with the beast in their politically-correct tolerance of other faiths. What happened to the Jews in WWII will happen to the Christians and, ultimately, what happened to Germany will happen to the U.S.. The U.S. will become more antichrist and increasingly hate, persecute, kill, and bring God's carnal people into bondage.

Ezekiel, as a type of the Man-child, prophesied that the apostate leadership of God's people would be brought into bondage by the **"great eagle"**, as a type of the U.S. He also saw and warned that part of that leadership would lead part of God's people to rebel against the **"great eagle"** to their own destruction. **(Ezk.17:2) Son of man...speak a parable unto the house of Israel; (3)...A great eagle with great wings...came unto Lebanon, and took the top of the cedar:** (God's people were likened in Scripture to the tall cedar evergreens of Lebanon because of their properties of eternal life.) **(4) he cropped off the topmost of the young twigs thereof** (the immature leadership of Christianity), **and carried it unto a land of traffic** (Babylon/U.S.); **he set it in a city of merchants** (U.N. in New York).

The top recognized leadership of Christianity along with leadership of other religions will be given a position of authority as a corporate false prophet over the United Religions harlot. **(5) He took also of the seed of the land**(God's people), **and planted it in a fruitful soil; he placed it beside many waters....** God's people will be put **"beside many waters"**, which are the peoples of the world depicted by the **"many waters"** that the harlot sits upon in Revelation 17:1,15. Therefore the people of God, righteous or apostate, will be put under the authority of the harlot as it was in Jesus' day. **(6) And it grew, and became a spreading vine of low stature** (the harlot cannot overcome to lift herself from the earth), **whose branches turned toward him, and the roots thereof were under him: so it became a vine.** The false prophet leadership of the harlot will rule with the ten kings as the little horn among the ten horns in the U.N. beast under the **"great eagle"**, the U.S.

The Lord confirms this interpretation in the text. **(12) Say now to the rebellious house... Behold, the king of Babylon came to Jerusalem, and took the king thereof, and the princes thereof, and brought them to him to Babylon.** The nations with the U.S. **"great eagle"** at the head will confirm a covenant with this false prophet leadership of God's New Testament people, uniting them with the false religions in the U.N. in New York. **(13) And he took of the seed royal, and made a covenant with him; he also brought him under an oath, and took away the mighty of the land.** Notice in these verses that the king and all of the princes of Israel were called **"him"** meaning they are a corporate False Prophet. This covenant will be hidden from the apostates and their leaders. They will fulfill the type of the Jews in Jesus' day, who didn't realize that they had made a covenant with the beast to crucify the saints. To keep the peace, the Roman beast gave the apostates authority over the saints. History repeats. The strong delusion of the letter of the Word has already convinced the false leadership of Christianity of a fairytale covenant between a man called the antichrist and the letter Jews.

Meanwhile the real covenant will be fulfilled in the spirit under their noses. To them this could not be the covenant because they have not yet been raptured and their antichrist hasn't shown up. This covenant with the beast will make God's apostate people preach an even more impotent gospel, because it is a covenant of tolerance for all false religions and all sinners in a vain effort to bring peace to the world. **(14) [T]hat the kingdom might be base, that it might not lift itself up, but that by keeping his covenant it might stand.** The apostates will be permitted to stand in the world as the base kingdom of the religious harlot.

We just saw the word **"covenant"** mentioned in verses thirteen and fourteen. It was at this point in my revelation that the Spirit said to me, *"From the first mention of the word 'covenant' in verse thirteen count. How many verses does the word 'covenant' cover?"* Thirteen is the number in Scripture that stands for apostasy and rebellion. Including verse thirteen, the word **"covenant"** covers seven verses (13-19). I was impressed that this represents the seven years of the covenant of the beast in the Tribulation. Then I heard, *"How many times is the word 'covenant' spoken in those verses?"* **"Covenant"** is mentioned six times in these seven verses. Six is the number of man and of the beast. As we saw, the sixth book, sixth chapter, sixth verse and sixth word of the New Testament is **"man"** (Rom.6:6).

It was at this point the Spirit directed me to count, "How many verses before the **"covenant"** is broken?" In the **"midst"** of the fourth verse the words **"covenant he brake"** are spoken. **(16) As I live, saith the Lord, surely in the place where the king dwelleth that made him king, whose oath he despised, and whose covenant he (apostate leadership) brake, even with him in the midst of Babylon he shall die.** This also is in the **"midst of the seven"** verses, which is a quote from the Hebrew in Daniel 9:27. **"And he shall make a firm covenant with many for one seven: and in the midst of the seven (Hebrew) he (beast) shall cause the sacrifice and the oblation to cease."** Notice in these two verses that the apostate rebel leadership of God's people will break the covenant so the beast will cause the **"sacrifice"** to cease. At the time when the crowns of authority will be taken from the seven heads and given to the ten horns, the beast will make the mark compulsive. This will be a vain attempt to enforce peace by identifying those who are in covenant with the beast and those who are enemies and/or commit crimes. This will cause both true Christians and militants to be enemies of the state. The U.S. already has created the literal mark and is exporting it to the world. The U.S. will use their persuasion over the beast kingdom to make the mark compulsive in the midst of the Tribulation. Many apostate Christians will take it and become reprobated. What is left of their life

of submitting their ***“bodies a living sacrifice, holy, acceptable to God”*** will cease as an ***“abomination that maketh desolate”***.

In this same text we see the nature of this rebellion which breaks the covenant of peace. ***(15) But he rebelled against him in sending his ambassadors into Egypt, that they might give him horses and much people. Shall he prosper? shall he escape that doeth such things? shall he break the covenant, and yet escape?*** This covenant is broken when the rebellious people of God, who were told by God to submit to Babylon, as we shall see, instead went to another ***“great eagle with great wings”***, Egypt, for strength to fight with arms against her. ***(Ezk.17:7) There was also another great eagle with great wings and...this vine did bend its roots toward him.***

Notice that the same terminology is given to describe a second eagle. This is because both of these great eagles represent the U.S. Foolish Christians in the U.S. will go down to Egypt to fight with her when they see their rights being taken away or, for some, when they see the mark coming. What does Egypt represent? God's people came out of Egypt and were baptized in the Red Sea where the Egyptians, representing the old man, died. To go back to Egypt spiritually is to trust in the strength of the old man, the arm of the flesh. ***(Isa.30:1) Woe to the rebellious children, saith the Lord, that take counsel, but not of me; and that make a league, but not of my Spirit, that they may add sin to sin, (2) that set out to go down into Egypt, and have not asked at my mouth; to strengthen themselves in the strength of Pharaoh, and to take refuge in the shadow of Egypt! (3) Therefore shall the strength of Pharaoh be your shame, and the refuge in the shadow of Egypt your confusion.***

Some of God's foolish people with a conservative patriotic faction of this nation will take up arms to fight against it. This pits the ***“great eagle”*** against the ***“great eagle”***, or civil war. God asked the question in our seven verse text: ***“shall he break the covenant, and yet escape”*** ***(Ezk.17:15)?*** God's answer to this question is that these rebels will be crushed: ***(17) Neither shall Pharaoh with his mighty army and great company help him in the war.... (18) For he hath despised the oath by breaking the covenant; and behold, he had given his hand, and yet hath done all these things; he shall not escape.... (21) And all his fugitives in all his bands shall fall by the sword, and they that remain shall be scattered toward every wind: and ye shall know that I, the Lord, have spoken it.***

When Peter used the sword to keep Jesus from going to the cross, He said, ***“[A]ll they that take the sword shall perish with the sword”*** (Mt.26:52). Even though the true saints will not

obey the religious aspects of this peace covenant, they will not take ***“the sword”*** of man and break their covenant with God as the apostates and their leadership will. The last of the seven verses says this. ***(19) Therefore thus saith the Lord: As I live, surely mine oath that he hath despised, and my covenant that he hath broken, I will even bring it upon his own head.*** The righteous will keep God’s covenant even if it costs them their physical life but the self-willed will rebel.

After bringing apostate Israel as a type of the Christians under his dominion in the beginning of what we would call the tribulation, Nebuchadnezzar appointed the Zedekiah administration to rule over them. This is the “he” above who rebelled with a large portion of Israel. Jeremiah, who represented the Man-child, prophesied against these apostate rebels in the parable of the two baskets of figs. ***(Jer.24:8) And as the bad figs, which cannot be eaten, they are so bad, surely thus saith the Lord, So will I give up Zedekiah the king of Judah, and his princes, and the residue of Jerusalem, that remain in this land, and them that dwell in the land of Egypt, (9) I will even give them up to be tossed to and fro among all the kingdoms of the earth for evil; to be a reproach and a proverb, a taunt and a curse, in all places whither I shall drive them. (10) And I will send the sword, the famine, and the pestilence, among them, till they be consumed from off the land that I gave unto them and to their fathers.***

On the other, hand those who submitted to the Word of the Lord through the Man-child Jeremiah were the blessed of the Lord. ***(24:4) And the word of the Lord came unto me, saying, (5) Thus saith the Lord, the God of Israel: Like these good figs, so will I regard the captives of Judah, whom I have sent out of this place into the land of the Chaldeans, for good.*** (Notice that this captivity is going to be ***“for good”*** to the ***“good figs”*** who obey the Word and refuse to rebel.) ***(6) For I will set mine eyes upon them for good, and I will bring them again to this land*** (Notice Father will bring them to the New Jerusalem and land because Nebuchadnezzar had destroyed the former apostate Jerusalem and land.): ***and I will build them, and not pull them down; and I will plant them, and not pluck them up. (7) And I will give them a heart to know me, that I am the Lord: and they shall be my people, and I will be their God; for they shall return unto me with their whole heart.***

All we have to do is replace the church in the Ezekiel 17 parable of civil rebellion above with natural Israel and we see another more natural interpretation, which is being attempted now. The U.S., which is at the head of the nations, is pushing Israel hard to give up land and make a covenant with the nations around them. Israel’s natural ally in the United States is the apostate

Christians and Jews who militantly support her. Since this ultimately will be a political and religious covenant both of these interpretations are coming to pass at the same time. It is certainly true that the beast is forcing both Israel and the Christians to give up their land now. Beastly laws are forcing Christians out of the moral ground that they have held on issues such as abortion, sexuality, schooling, displays of Christian heritage, etc. In the U.S., this holy ground has been held since the more Christian times of the founding fathers. Eventually Israel and the apostate Christians will rebel against this covenant and turn to the militant arm of flesh represented by the great eagle of Egypt. Then they will both find themselves a burdensome stone that have something in common; the ire of the nations. Perhaps this is God's plan to infuse more Christian influence into Israel so that the elect among them will be saved and come out.

America Is Being Conquered By Communism

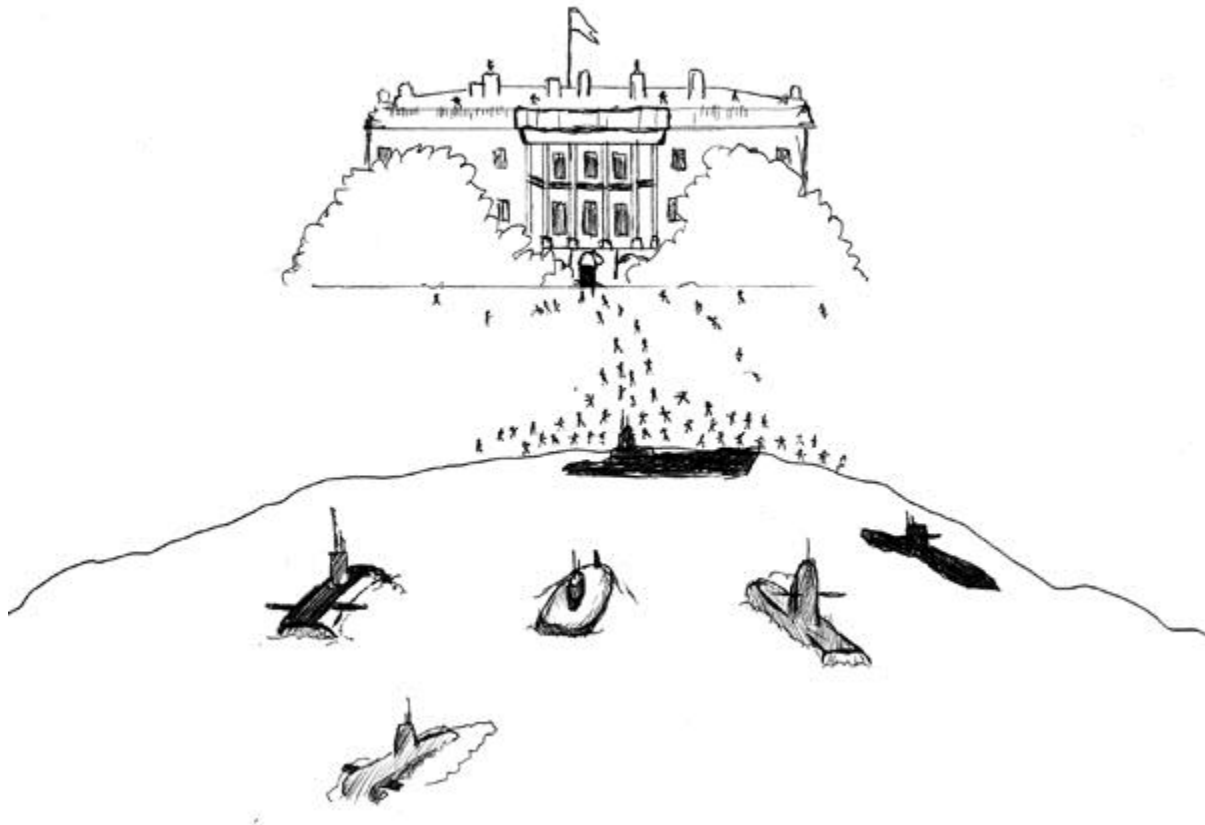

Garrett Crawford - 6/14/09

(David's notes in red)

In a dream, I recall being somewhere in the western region of the U.S. I was in the home of a man who was loading up guns and stocking up on ammo. He was worried about protecting his home and property. Something was about to happen, though I am not sure what, but even the most undiscerning person could feel it in the air; we were on the verge of great lawlessness. The man, I thought, was taking the wrong approach in his preparation and he ridiculed me for not taking up arms. (Militant patriots are getting ready to fight to "take the country back" from the liberal communists who are destroying the Constitution and laws from within.)

After this scene, I was in the eastern part of the nation. I quickly realized that I was in Washington, D.C. I was standing and looking at the White House. I saw that it set in a peculiar position, which was with the back of the building facing a body of water. (The head of Babylon that is sitting on many waters?) I saw the Americans doing something in the water and, as I continued watching, many submerged vessels appeared on the surface of the water. These vessels were not American; they were Russian and they quickly moved ashore. This is where I saw many soldiers run up the shore and proceed to enter the back of the White House. There were hundreds, if not thousands, of these men overtaking the building. (Yes, the waters behind the White House represent the peoples ruled by it. Out of these waters have arisen the leftists who have taken the White House. These are ruled by the same principalities that ruled the Russian socialists/communists. It is a spiritual war. The right wing went down in flames -- losing the propaganda war before the coming physical war. A few years ago, we received a dream that the Statue of Liberty was shot at with missiles from a Russian sub and was cut in half, as the country is now. The top half, containing the head or government, then fell to the LEFT and into the water. At that time, I said

this represented the coming of a left-wing government. This has only begun. Even though public sentiment is swinging back toward the right, there could come a stunning reversal of this trend that will bring great persecution to Christians. The something that was about to happen in the first paragraph above could be the scenario below.)

The White House was quickly overrun and taken over by this force. The next thing I recall is that I was underground, beneath the White House itself. What I found was breathtaking; there was an extensive tunnel system underneath the structure. I saw a few Americans resisting but, ultimately, being overcome by multitudes of Russians. The invading force used the weapons systems that were stored down there against the Americans and quickly overcame them. (The underground, liberal, communist left is now taking over America by using its own political weapons against it. One of the weapons the right used to partially turn the country right was a false flag attack [9/11]; now it appears from this and other revelations, like below, that the left will use this method to turn the government left. See [The Eagle and the Serpents](#) and [Civil War Is Coming](#).) This whole scene reminded me of a colony of enemy ants invading another colony and overtaking it.

After seeing all that I had seen, my heart sank. I said within myself, "The whole country must be under attack! America has fallen!" (Could this be Babylon spiritually falling at the beginning of the tribulation?) (Yes.) But then a word from the Lord was given to me: "The goal of this operation is to weaken the country first; then, once weakened, America will be susceptible to a wave of Muslim terrorist attacks that will come later." (Speaking of Babylon physically falling in the years to follow.)

Just as quick as before, I was ushered off into the heavens. As I looked down, I saw what seemed to be military installations. I saw missile silos somewhere in the country; then I found myself looking down at the Pentagon. I realized that everything I was looking at was still in the hands of the Americans. I had thought the whole country was taken over but the military infrastructure was uncompromised. (This made me think, even more, that the White House invasion spiritual.) (Yes, this is an ideological attack by the reds, a symbol of communists but also one of sinners, as in Isa.1:18.)

My body was quickly translated from the heavens to the Pentagon below. I found myself in the presence of a very high-ranking general. I quickly alerted him that there was a Russian siege on the White House: everything was lost and it was a total takeover. I was taken aback by his response. Although he did confirm to me that he and the other generals were well aware of the invasion, they were confident that the invasion would be contained to only the White House. It seemed to me they had taken steps to insure that the invasion would not spread but I was not as confident as him. (I saw the Pentagon and missile silos and they were not breeched and the general took confidence in that, but look at it like this, friends: The pentagon represents the muscles of the nation, the arm of flesh. No matter how strong a man, if he loses his head, then his muscles are good for nothing; they cannot save him.) (Although it is true the U.S. military is still full of right-wing people and not nearly as leftist/communist as the government, this may also be speaking of something spiritual. The other militant group that, from within, invaded the White House stands opposed to the right-wing militants who now have no access to the White House but falsely think they can still keep the country from being completely ideologically taken over.)

If the communist-Russian invasion in the White House was not altogether physical, rather spiritual, then those without spiritual eyes cannot see the truth; or they underestimate the growing danger, due to their blindness. **(Pro.22:3) A prudent man seeth the evil, and hideth himself; But the simple pass on, and suffer for it.** It could be that the invading Russians represent communist ideology. The generals may realize that the White House has become socialist but they remain confident that the military might of the nation will be able to detour any takeover.

I was in deep thought about the dream for hours after I had it and then I asked the Lord what it means. But all I was getting was the word "infiltration." This word came to me many times over the course of the day.

This is the excerpt from a JFK speech about the NWO, which he warned was a growing threat 40 years ago:

For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence -- on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day. It is a system which has conscripted vast human and material resources into the building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations.

(Before the physical invasion comes the spiritual one will, according to Revelation 18. Before the physical fall of any nation comes the spiritual fall.) An angel to Dumitru Duduman said, "The Russian spies have discovered where the most powerful nuclear missiles are in America. It will start with the world calling for 'peace, peace.' Then there will be an internal revolution in America, started by the Communists. (The liberal one-worlders.) Some of the people will start fighting against the government. The government will be busy with internal problems. Then, from the oceans, Russia, Cuba, Nicaragua, Central America, Mexico, and two other countries (which I cannot remember) will attack! The Russians will bombard the nuclear missile silos in America. America will burn."

The Bears Attack

Lisette Renaud - 8/16/09

(David's notes in red)

I dreamed I was outside by myself, resting somewhere in a park setting. (I can't say where I was exactly, but I was close enough to my house that I could run to it. I live in Alberta, Canada.) (Those who are resting in the safety of the Lord.)

It was a beautiful, cool and fresh day, like a fall day, when I heard people screaming that bears were coming. Something terrible had just happened suddenly (another 9/11 from the left). (Bears could represent Russia as communism, socialism, or an attack of our freedoms as we know them. It could represent a greater economic collapse -- bear representing the bear market. It could also represent a sudden physical attack like a nuclear bomb or something. Whatever it was, I sensed that it was something very big that had JUST HAPPENED and was affecting everyone.) (I believe the bear attacks represent all of the above calamities another 9/11 coming upon the U.S. and Canada because they are turning to the beast principality that ruled Russia/USSR under Communism, instead of God. Most Russians agree that this brought failure to their country's economy, totalitarianism, loss of freedom and many lives. This appears to be a confirmation of Garrett's dream above.)

People were panicking and were so afraid that they were running everywhere, not knowing where to turn. (The terrible calamities Jesus said would come are now here and will continue to increase. Those who called us crazy and said we were all a bunch of "conspiracy nuts and bible-thumping fanatics" will be running like scared cats with no

place of refuge, no hope. The world will be in shock at what is happening.)

I did not run. I was confronted with a bear but believed he could not hurt me because I was under God's protection. All the time he was in front of me trying to attack me, I kept thanking God for His protection. (The true remnant of Christ will be at peace when this big calamity strikes, knowing that He has everything under control. The remnant will be resting in God, trusting Him, trusting in His Word. Those who are expecting the man-child, who know they will be here for the tribulation period, yet protected under His wings, those who believe His Word and stand on His Word will be at peace, even though the world around them is turned upside down. They will not fear. They will experience Psalm 91.)

When I took a good look at him, he looked like a big teddy bear. Then he finally left. (We have the authority of Christ. He has been preparing His remnant to be overcomers, to stand on His Word and soon we will be put to the test.)

Once he was gone, I ran home to check up on my husband. When I got in the house, I saw my husband sitting down on a chair, talking on the phone. His face was bleeding. He was covered in blood. He looked so distraught. (Concerned for their loved ones, the remnant will go to them and will see that because of these terrible calamities, many believers who had become cold toward God will now be calling on Him for help. The people we have been praying for (family, friends, neighbors) will finally get a sudden realization that they must get in touch with God quickly and get right with Him, if they want His protection.)

Somehow I knew he had not been attacked by a bear, but by thugs. (I realized that two things were going on: regular attacks by "thugs" [People attacking our freedoms?] which seemed to have been going on for some time, by the comment that I heard later on in the dream, and now this new terrible thing that had just happened.)

I then went downstairs, where some members of my husband's family were. I believe I saw his father, who has been deceased for some time. He was also covered in blood. Then I heard someone say, "How much more of this can we take?" (Those who have some knowledge of God but do not have a relationship with Christ, those who are spiritually dead will become discouraged, for there will be no hope, no escape, no refuge, only turmoil for them, unless they turn to God.) Then I woke up.

Russians Behind Civil War in U.S.

Cheri Watson - 2/03/08

I had a dream this morning about 6:00 am. I saw the Statue of Liberty; one side of the statue was black and the other side was white. (In the dream I said that the left side was black and the right side was white; however, some time after the dream I realized that it was the right side that was black and the left side that was white.) I knew what The Lord

was showing me was division and the civil war coming to America.

Anyway, in front of the statue, was a tank in the shadows with the cannon facing the statue. I knew the tank in the shadows to be Russia running the show behind the scenes and provoking the Middle East to do its bidding.

I also believe it has to do with the Christians -- so far as the coming revival and falling away. I also felt that all of these things would do MUCH destruction to our country and that Russia is waiting in the wings/shadows till it's time to make their move. I have no doubt the Russians are fueling fires even now.

Note from David: The Statue of Liberty represents America and its liberties. This division of black and white is somewhat racial, like in the Civil War. Also, it is that the left are the Communists and Democrats and the right are Republicans and Christians. Cheri started thinking the Left were the guys in black (bad guys) but ended up seeing that the Right was also guilty. This is covertly started by the Russians to weaken America, so they could militarily conquer her. Cultivating division in order to conquer is something both sides have been good at.

I love it when The Lord does this... later in the morning, and every Sunday morning, several of us gather to listen to one of your teachings. This morning's teaching just happened to be Hidden Manna's - "U.S. Covenant, Civil War"!!! God is good! Anyway, David, I felt that this was confirmation for you for some reason and felt I was to share it with you today.

Conspiracy Against Christianity

Brent Gearhart -10/23/09
(David's notes in red)

I dreamed on day four of a fast that I saw a man running naked with just a robe on barely covering him. (The false Christian leadership has not "put on the Lord Jesus." They name "Christ" as Savior but they are not living salvation. Their works do not cover them. They will be cast into great tribulation, as Jezebel -- Revelation 2:20-23.)

Then I saw a woman running behind him with a scanty outfit on that was black, as they were running to make an appointment somewhere. (The typical church pastor followed by the people. The woman is the harlot church in darkness following its leadership. Babylon's nakedness will be made known to all the world, as the Word says.)

Then, I saw the same man and woman dressed up in formal dress but they had disguises on now to appear older and distinguished. (Outwardly, they seem respectable in formal, black and white attire, but they profess the "light" while walking in spiritual darkness. They are white-washed sepulchers full of dead men's bones.)

They were trying to enter a formal party of some sort but for some reason the invitation they had was fake. (The formal "party" is the Marriage Feast where they have disguised themselves as "Christian." Even those who do not have the real wedding garment.) ***{Mat.22:8} Then saith he to his servants, The wedding is ready, but they which were bidden were not worthy.***)

When they approached the person who collected the invitations, the man started saying something to distract the ticket collector so they wouldn't pay attention to their fake invitation. It worked; they were granted admittance to the party. (Christian pretenders talk the talk in order to gain respect and acceptance. They have experienced only the fake calling, meaning invitation -- accept Jesus as your personal savior-type "invitations," instead of the command to repent and believe. But this lukewarm Christianity is not dressing up for the tribulation seven-day Wedding Feast. ***{Mat.22:11} But when the king came in to behold the guests, he saw there a man who had not on a wedding-garment: {12} and he saith unto him, Friend, how camest thou in hither not having a wedding-garment? And he was speechless. {13} Then the king said to the servants, Bind him hand and foot, and cast him out into the outer darkness; there shall be the weeping and the gnashing of teeth.***)

(Note: It seems this is turning into the right-wing digging for dirt on the left-wing White House. This lukewarm spirit in Christianity above has bred many who seek change by political warfare instead of spiritual warfare.)

When inside, I remember watching them split up right away and it seemed like the man was looking for some information -- some files, perhaps, or some film from a camera. (They have no interest in the Feast but are conspiracy-chasers of the left-wing government, like many apostates.) I remember seeing a little key like to a padlock or handcuffs. (Instead of seeking the key to freedom, they find only captivity.)

I then saw them in the basement and I saw the man got caught and was about to be killed perhaps by the owner of the house. (Possibly a plot that will bring this captivity is being hatched by the elites through this administration to bring disrepute to Christianity.)

As they were down in the basement, the owner of the house took back what the first man had stolen and then planted a bomb in the utility room. (This administration has lost much to the politically-minded, conservative Christians but the blame put on them for the judgment of America will take back the ground lost. An apparent attack on the left-wing may actually be an attack on the right-wing.) Then he tried to blame it on the first man who got caught. (Called a "false flag" operation. The owner sets off the thing and blames the Christians.)

Right after the bomb went off, security came in. (Martial law.) I saw my friend, Terry, from the UPC (he knows martial arts) and he was taking the man down who was being blamed for this false terrorist attack. (Possibly, Terry represents Christians under martial law betraying other Christians, bringing great persecution to the church.)

I remember seeing Terry take this man down with an arm lock of some sort actually; he had one arm spread out and he had the other arm locked in with his legs and it appeared the man who got caught looked like he was in a crucifixion position. (The apostates have always been used by Satan and the beast system to crucify true Christianity.)

The man who got caught was looking at me to help him. I said, "Hey, I am staying out of it" and I remember picking up some of the pieces of the room that were torn apart. (The true Christians will have nothing to do with patriotic, political, militant Christianity but will do what they can to repair the damage to the reputation of true Christianity. A bomb will go off and the blame will be put on "Christians" who will be "crucified" by the Law and false-professing Christians.) End of dream

Then a vision and prophecy began

Then I laid back down and I saw myself in a field, harvesting the crop. I felt impressed to go get my notebook and pen and write down what I saw or heard, as I am reaping the crop.

I see a man come and talk me into stopping the harvesting and taking a break. I see myself taking a break and eating, drinking and dancing with others. I then saw the laborers taken up by the Son of man as He came on the clouds for them. I saw the others get put into a winepress and squeezed. I heard, "This is the day of the Lord, the great and terrible day of the Lord."

I was asked which group I wanted to be in and I said, "The laborers." He said, "Then you must die to self without complaining like you were today. There will be many days you will work more than 12 hours and have little time for your family. These days are coming soon."

Thus saith the Lord, "You are being called into the harvest field. Your Nintendo Wii is not important; you must bear fruit 30-, 60-, 100-fold. No murmurers or complainers will make it through the wilderness. Stay out of those negative conversations; spirits are transferred there. Be wise, vigilant; the devil wants to sift you as he did Peter. (During this time I heard the song, "How He Loves Us" by David Crowder and then the song switched to "Lose This Life" by Tait.) You must lose your life to self, stick with the unleavened bread; don't let the devil separate you from them. Be patient and kind with your wife; she has gifts that the body will need and use. Be wise in all things. I love you. Try hard to join the marriage feast; join, Brent. Join." Then it ended.

Secret Attack By Russia and China

Mike Griffith

On the 13th of August 2005 the Lord revealed to me something is going to happen. When I went to bed that night I had a startling vision. I found myself in a huge under sea cavern somewhere. It was a huge under ground navy base of some kind. I saw an array of battleships and submarines all lined up against a dock; then I heard a demonic voice thunder in the darkness that said, "NOTHING CAN STOP US NOW!" I knew that the voice I heard was a principality or strong man that was controlling the warships. At its command they began to slowly move out of the dark under ground base and move down a sea tunnel to an exit. I ran out of the base somehow just to see the ships spew out of these sea doors into the ocean. I looked and saw that the base was built under a mountain that slopes into the sea like a fiord inlet. The Lord caused me to hover in the air over the base and I saw a large red symbol on it. But for some reason I wasn't allowed to see it clearly. I hid from sight and a large group of trucks and troops moved passed me. I was scared because I was hiding behind a shrub not even big enough to hide a cat but they could not see me. I heard some of the troops talking about an American singer called 50 Cent. I knew then that this was going to happen soon. The impression that I got from the dream is that nations are preparing an attack on another nation that is completely undetected. And the spearhead of the attack is by naval power. I believe the countries are Russia and China, and they are planning to attack America very soon. A supernatural force is preparing them for the attack; it is an evil fallen angel.

I went on the Net after I had this dream and saw that the Russian and Chinese navies were having war games together and it was the largest in modern history using 10,000 troops, warships, tactical bomber and amphibious landing craft. They called it Operation Peace 2005 but they are practicing for an invasion.

(Note: Mike thought he may have been given a date for this which came and passed but [this confirmation](#) of this place is a fact that was independently shown to Rip.)
